Sexual Assault Services Program (SASP) 2014 Request for Application

Deadline: Applications due at 11:59 p.m. on May 31, 2014

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (CJCC) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-four members representing various components of the criminal justice system. CJCC is charged with fiscal oversight of the Sexual Assault Services Program (SASP).

The Criminal Justice Coordinating Council (CJCC) is soliciting applications for the SASP Grant Program. Agencies must submit an application to be considered for funding from the SASP Grant Programs. Agencies are encouraged to read this entire RFA thoroughly before preparing and submitting their grant application. This application is open to all agencies meeting eligibility guidelines for the SASP program; decisions about grant awards will be determined through a continuation process.

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

The Sexual Assault Services Grant Program (SASP) was established under the Violence Against Women Act and Department of Justice Reauthorization Act of 2005 (VAWA 2005), 42 U.S.C. §14043g. SASP is the first federal funding stream solely dedicated to the provision of direct intervention and related assistance to victims of sexual assault. SASP encompasses four funding streams for states, territories, tribes, state sexual assault coalitions, tribal sexual assault coalitions and culturally specific organizations. The law's purpose is to provide intervention, advocacy, victim accompaniment (e.g. to court, medical facilities, police departments etc.), support services, and related assistance for adult, youth, and child sexual assault victims. SASP-funded agencies may also provide services to victims' family and household members and to those whom the sexual assault collaterally affects.

Congress, the Office on Violence Against Women (OVW), and victim advocates recognized the need to address the lack of direct intervention and related assistance services available to tackle the unique aspects of sexual assault trauma from which victims must heal. Women, men and children of all ages can be victims of sexual assault. The perpetrator may be a relative, acquaintance (e.g. boyfriend/girlfriend, friend, co-worker, and neighbor) or a stranger. Nationally, one in six women and one in thirty-three men will be sexually assaulted in their lifetime. The OVW administers several grant programs, including the S.T.O.P. VAWA Formula Grant Program.

Women and men of all ages, as well as children, can be victims of sexual assault. The perpetrator can be a relative, acquaintance (e.g., boyfriend/girlfriend, friend, coworker, neighbor), or a stranger. Nearly half of all women and 1 in 5 men have experienced some form of sexual violence in their lifetime. Also, nearly 1 in 5 (18.3%) women and 1 in 71 men (1.4%) in the United States have been raped at some time in their lives.

For many victims, it takes years to recover from the physical and psychological trauma of rape and other forms of sexual violence. To heal from the trauma, survivors often need assistance from victim-centered social service organizations such as rape crisis centers, 24-hour sexual assault hotlines, crisis intervention, and medical and criminal justice accompaniment in addition to support from family and friends. SASP will assist in establishing, maintaining, and expanding rape crisis centers and other relevant programs dedicated to helping sexual assault victims.

The Sexual Assault Services Formula Grant Program (SASP Formula Grant Program) directs grant dollars to states and territories to assist them in supporting rape crisis centers and other nonprofit, nongovernmental organizations or tribal programs that provide core services, direct intervention, and related assistance to victims of sexual assault. Rape crisis centers and other nonprofit and tribal organizations, such as dual programs providing both domestic violence and sexual violence intervention services, play a vital role in assisting sexual assault victims through the healing process, as well as assisting victims through the medical, criminal justice, and other social support systems. Funds provided through the SASP Formula Grant Program are designed to **supplement** other funding sources directed at addressing sexual assault on the state and territorial level.

Program Scope

Activities supported by the SASP Formula Grant Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and the conditions of the recipient's award.

Purpose Areas

Overall, the purpose of the SASP Formula Grant Program is to provide intervention, advocacy, accompaniment (e.g., accompanying victims to court, medical facilities, police departments, etc.), support services, and related assistance to:

- Adult, youth, and child victims of sexual assault;
- Family and household members of such victims; and
- Those collaterally affected by the victimization (e.g., friends, coworkers, classmates), **except** for the perpetrator of such victimization.

In FY 2014, funds under the SASP Formula Grant Program may be used for the following purposes:

- To support the establishment, maintenance, and expansion of rape crisis centers and other nongovernmental or tribal programs and projects to assist those victimized by sexual assault, without regard to the age of the individual.

SASP Formula grants shall be used to provide grants to rape crisis centers¹ and other non-profit, nongovernmental organizations or tribal programs for programs and activities that provide direct intervention and related assistance. Intervention and related assistance may include:

¹ The term "rape crisis center" means a nonprofit, nongovernmental, or tribal organization, or governmental entity in a state other than a territory that provides intervention and related assistance to victims of sexual assault without regard to their age. In the

- 24-hour hotline services providing crisis intervention services and referral;
- Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings;
- Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and non-offending family or household members;
- Information and referral to assist the sexual assault victim and non-offending family or household members;
- Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities; and
- The development and distribution of materials on issues related to the services described in the previous bullets.

Note: The SASP Formula Grant Program emphasizes the establishment, maintenance, and expansion of rape crisis centers and other nonprofit, nongovernmental organizations, such as dual programs addressing domestic violence and sexual assault, for the provision of direct intervention, core services, and related assistance to adult, youth, and child victims of sexual assault. **Under the SASP Formula Grant Program, grant funds cannot be used to support sexual assault forensic examiner projects or criminal justice activities (e.g., law enforcement, prosecution, courts, or forensic interviews).**

A. Eligibility

Awards are limited to 2013 Competitive Award recipients. **Please note that the Criminal Justice Coordinating Council has not approved individual allocation amounts for this solicitation. Any award made pursuant to this solicitation is dependent upon the receipt and availability of federal grant awards and any requirements/conditions attached thereto.**

Awards are limited to rape crisis centers and nonprofit, nongovernmental or tribal organizations that provide services to crime victims in order to be eligible to receive SASP funds. These organizations include, but are not limited to, sexual assault and rape treatment centers.

SASP subgrantees must certify that they meet the core service requirements for at least one of the core service types listed in the appendix. One of these core service types must be a Sexual Assault Program.

Additional Specific Eligibility Requirements

Below are established eligibility criteria that must be met by all organizations that receive SASP funds. These funds are to be awarded to applicants only for providing services to victims of crime through their staff. Each applicant organization shall meet the following requirements:

- **Public or non-profit organization** – To be eligible to receive SASP funds, organizations must be operated by a public or private non-profit organization, or a combination of such organizations, and provide services to crime victims. Public organizations are limited to governmental entities that provide direct and intervention and related assistance to victims of sexual assault and are not part of the criminal justice system.
- **Record of effective services** – Demonstrate a record of providing effective services to crime victims. This includes having the support and approval of its services by the community, and a history of providing direct services in a cost effective manner and financial support from other sources. For a glossary of terms and services, please refer to the [2014 VSSR Guide](#).

case of a governmental entity, the entity may not be part of the criminal justice system (such as a law enforcement agency) and must be able to offer a comparable level of confidentiality as a nonprofit entity that provides similar victim services. 42 U.S.C. § 13925(a)(25).

- **Promote community efforts to aid crime victims** - Promote community-based coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local, or Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims. *Coordination efforts qualify an organization to receive SASP victim assistance funds but are not activities that can be supported with SASP funds.*
- **Help victims apply for compensation benefits** - Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting them with the application forms and procedures, obtaining necessary documentation, and/or checking on claim status.
- **Comply with federal rules regulating grants** - Applicants must comply with the applicable provisions of SASP, the Program Guidelines, and the requirements of the OJP Financial Guide, effective edition (<http://www.ojp.usdoj.gov/FinGuide/>), which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of SASP funds received. This includes financial documentation for disbursements, daily time and attendance records specifying time devoted to allowable SASP victim services, client files, the portion of the project supplied by other sources of revenue, job descriptions, contracts for service, and other records which facilitate an effective audit.
- **Comply with CJCC grant requirements** – Agencies must adhere to financial and programmatic guidelines; comply with deadlines; and provide all information to CJCC as requested in a timely fashion.
- **Services to victims of federal crimes** - Applicants must provide services to victims of federal crimes on the same basis as victims of state and/or local crimes.
- **Promote victim safety** – CJCC prohibits activities that compromise victim safety, such as requiring victims to meet with offenders.
- **No charges to victims for SASP-funded services** - Applicants must provide services to crime victims at no charge through the SASP-funded project.
- **Nondisclosure of confidential and private information** – Eligible agencies must have policies and procedures in place that protect the confidentiality and privacy of persons receiving services. Absent informed, written, reasonably time-limited consent, agencies must not disclose, reveal, or release any personally identifying information or individual information collected in connection with services requested, utilized, or denied through a subgrantee program regardless of whether the information is encoded, encrypted, hashed, or otherwise protected. The term ‘personally identifying information’ or ‘personal information’ means **individually** identifying information **for or about** an individual. This includes information likely to disclose the location of a victim of domestic violence, dating violence, sexual assault, or stalking, , including
 - a first and last name;
 - a home or other physical address;
 - contact information (including a postal, e-mail or Internet protocol address, or telephone or facsimile number);
 - a social security number, driver license number, passport number, or student identification number; and
 - any other information, including date of birth, racial or ethnic background, or religious affiliation, that would serve to identify any individual.

Measures taken to maintain confidentiality of this information must be consistent with applicable Federal, state and local laws regarding privacy and confidentiality. Minors who receive services without parental or guardian consent can authorize the release of information without the consent of their parents or guardians. The federal statute requires subgrantees to **document compliance** with confidentiality and privacy provisions. As stated above, Criminal Justice agencies must collaborate with victim service providers to ensure victim safety, confidentiality and autonomy, and to promote victims’ economic independence.

- **5% Certification and Eligibility** – Applicant agencies **should** be certified and eligible to receive 5% funds. Agencies without certification may apply for funding; however, if funding is awarded the agency will have to complete certification requirements prior to drawing down funds.

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

- Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;
- Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
- Crafting policies that deny individuals access to services based on their relationship to the perpetrator;
- Developing materials that are not tailored to the dynamics of sexual assault or the culturally specific population to be served;
- Crafting policies or engaging in practices that impose restrictive conditions to be met by the victim in order to receive services (e.g., counseling, seeking an order for protection); and
- Crafting policies that require the victim to report the sexual assault to law enforcement.

Out-of-Scope Activities

The following activities are out of program scope and will not be supported by the SASP Formula Grant Program funding:

- Research projects (This does not include program assessments conducted only for internal improvement purposes. See section on Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.ovw.usdoj.gov/docs/companion-guide-10-16-12.pdf>.)
- Sexual assault forensic examiner projects
- Activities focused on prevention efforts (e.g., bystander intervention, social norm campaigns, presentations on healthy relationships, etc.)
- Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews
- Domestic violence services that do not relate to sexual violence

B. Reporting Requirements

CJCC requires that grantees comply with and fully participate in the financial, program, and evaluation reporting for this grant program.

Annual Progress Reports: As a result of VAWA 2000, all grant recipients are statutorily required to report on the effectiveness of their projects, and the Attorney General must report to Congress on the effectiveness of each grant program. Therefore, grantees funded under this program must collect and maintain data that measures their effectiveness. Subgrantees are required to submit an Annual Progress Report to CJCC in addition to quarterly VSSRs and semiannual OPMs.

CJCC staff will send the Annual Progress Report and instructions to subgrantees by January 15, 2015. Subgrantees are required to complete and submit the report to CJCC by February 15, 2015. The report

covers the previous grant year, January 1, 2014-December 31-2014. CJCC will review and validate the reports and follow up with subgrantees as appropriate. CJCC has until March 30, 2015 to submit the reports to OVW. Forms and instructions can be found at the [Measuring Effectiveness Initiative website](#).

If the Office on Violence Against Women detects any errors (provided in the “Red Flag Report”) your agency must supply the CJCC with corrected information within **5 business days** of the request for corrections. Failure to submit these annual reports in a timely manner will significantly delay any and all sub grant expenditure reimbursements submitted within the grant period. Continued delays will result in a staff recommendation to Council requesting a reduction in the overall grant award.

Quarterly Progress Reports: All SASP grant recipients will be required to submit reports on their program outputs supported by SASP funding on a quarterly basis. SASP subgrantees must complete the Victim Services Statistical Report (VSSR) which details the number of victims (new and existing) served by type of victimization, and number of services delivered by type of service. SASP subgrantees must collect data according to the categories of the VSSR. Victimization and service definitions are provided in the [2014 VSSR Guide](#), which is posted on CJCC’s website. All statistical reports are due 30 days following the end of the quarter.

VSSR QUARTERLY PROGRESS REPORTS	
REPORTING PERIOD	DUE ON OR BEFORE THE FOLLOWING DATES
October 1 – December 31	January 30
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30

All statistical reports must be submitted electronically using CJCC’s online reporting tool. Recipients will receive the link for the reporting tool, along with a username and password to complete their report, on a quarterly basis. Failure to submit these output reports in a timely manner will significantly delay any Subgrant Expenditure Reimbursements (SERs) submitted within the grant period. Continued delays will result in a staff recommendation to reduce noncompliant agencies’ award amounts.

Semi-Annual Outcome Reports: All SASP grant recipients must use the survey instruments (revised October 2012) on the CJCC’s website to submit reports on their program outcomes. The instruments are categorized by the type of victim an agency serves. SASP recipients must follow the updated version of the [Outcome Performance Measurement Guide](#). The [surveys](#) are available on the CJCC website, along with Excel spreadsheets to compile and aggregate data from individual clients.

Outcome performance data is reported twice per year. Because the outcome survey should be provided to all clients, regardless of whether their services were supported by SASP funding, the due dates and reporting periods do not correspond to the SASP grant year. Outcome performance reporting dates for ALL victim services sub grant recipients are as follows:

OUTCOME PERFORMANCE MEASURES	
REPORTING PERIOD	DUE ON OR BEFORE THE FOLLOWING DATES
November 1 – April 30	May 30
May 1 – October 30	November 30

Failure to submit these outcome reports in a timely manner will significantly any SERs submitted within the grant period. Continued delays will result in a staff recommendation to reduce noncompliant agencies' award amounts.

Monthly or Quarterly Subgrant Expenditure Requests: Upon accepting the award, each agency is required to indicate whether it agrees to submitting Monthly or Quarterly Subgrant Expenditure Requests (SERs) to CJCC. Monthly SERs are due on the 15th day of the month immediately following the month in which expenses were incurred; i.e., an SER for expenses incurred in January is due by February 15. Quarterly SERs are due on the following dates for the corresponding financial reporting periods:

QUARTERLY SERs	
FINANCIAL REPORTING PERIOD	DUE ON OR BEFORE THE FOLLOWING DATES
October 1 – December 31	January 30
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30

Failure to submit these financial reports in a timely manner will significantly delay any SERs submitted within the grant period. Continued delays will result in a staff recommendation to reduce noncompliant agencies' award amounts.

C. Other Requirements

All programs that receive SASP funds or are subawarded SASP funds via program agreements are required to conform to the grant program requirements. If there is a violation to this it may result in suspension or termination of funding, until such time as the recipient is in compliance. Information on required Civil Rights trainings can be found at <http://ojp.gov/about/ocr/assistance.htm>.

Nondiscrimination

Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits. Findings of discrimination must be submitted to the Office for Civil Rights and to CJCC.

The S.T.O.P. VAWA 2013 Reauthorization prohibits discrimination based on sexual orientation and gender identity. The VAWA 2013 provision further provides that “If sex segregation or sex-specific programming is necessary to the essential operation of a program, nothing in this paragraph shall prevent any such program or activity from consideration of an individual’s sex. In such circumstances, grantees may meet the requirements of this paragraph by providing comparable services to individuals who cannot be provided with the sex-segregated or sex-specific programming.”

Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency. For more information access <http://www.lep.gov>.

Grant Acceptance/Request for Funds

To accept the grant award, each applicant must return all award documents and all required forms with original signatures within 45 calendar days of the award date. The applicant will be unable to request funds until all required documents are returned to the CJCC office.

Special Conditions

At the time of the subgrant award, CJCC will assign special conditions for each approved project. Each subgrantee should refer to their award packet for their special conditions. Applicants agree to comply with all the guidelines set forth by the Criminal Justice Coordinating Council. These guidelines can be found in the [Subgrantee Programmatic and Fiscal Compliance Policy](#) on CJCC's website. Any programmatic and fiscal non-compliance may result in a reduction of the award.

Other

Applicants must comply with all forms, assurances, and certifications attached to this RFA. This includes maintaining a DUNS number, EIN, active registration with the System for Award Management (SAM), and other federal forms as requested by CJCC in the award packet.

D. Application Submission Instructions

Applications must be submitted online via Adobe forms at <https://adobeformscentral.com/?f=BLF-0qEKSXr7Bds1Cn-Hmw>. Agencies with more than one 2013 award from CJCC **must** submit a separate application for each grant number to receive continuation funding for that award. Applicants will not be able to log out or log back in once the application is started. CJCC recommends that each applicant compile all information requested in this RFP before beginning the online application, and allowing 2-3 hours for completion.

Applicants who experience technical difficulties or emergency circumstances should contact Shontel Wright immediately at Shontel.Wright@cjcc.ga.gov or 404.657.1961 to request an extension or alternate method of applying.

Applications must be submitted by 11:59pm on Saturday, May 31, 2014. There is no commitment on the part of CJCC to fund an application or to fund it at the amount requested.

All line items within the budget are subject to review and approval. Decisions related to these budget line items are based on allowability, justification and reasonableness.

The application must be completed and submitted in accordance with RFP guidelines for submission or the proposal may be disqualified. Applications for funding will undergo reviews by CJCC staff, the Victim Assistance Grants Committee, and the Council. At any point during these reviews, a decision not to fund a project or any part thereof may be made. These decisions are within the complete discretion of CJCC.

APPENDICES

A. Allowable and Unallowable Costs

1. Allowable Costs and Services

- **Outreach activities and materials** notifying victims and the public of available services and resources for sexual assault victims.
- **Dual Sexual Assault and Domestic Violence programs** – SASP funds may be used to support dual programs that provide sexual assault and domestic violence services to enhance their provision of direct intervention and related assistance tailored for victims of sexual assault.
- **Support for Underserved Populations** - Increase support for underserved populations, particularly communities of color, in a culturally appropriate manner, with a special emphasis on addressing the African-American, tribal, and Lesbian, Gay, Bisexual, and Transgender (LGBT) communities, as well as individuals with disabilities and Deaf individuals.
- **Immediate Health and Safety** - Those services which respond to the immediate emotional and physical needs (**excluding medical care**) of crime victims such as crisis intervention; accompaniment to hospitals for medical examinations; hotline counseling; emergency food, clothing, transportation, and shelter (including emergency, short term nursing home shelter for elder abuse victims for whom no other safe, short-term residence is available); and other emergency services that are intended to restore the victim's sense of security. This includes services which offer an immediate measure of safety to crime victims such as boarding-up broken window, and replacing or repairing locks. Also allowable is emergency legal assistance such as filing restraining orders and obtaining emergency custody/visitation rights when such actions are directly connected to family violence cases and are taken to ensure the health and safety of the victim.
- **Mental Health Assistance** - Those services and activities that assist the primary and secondary victims of crime in understanding the dynamics of victimization and in stabilizing their lives after a victimization such as counseling, group treatment, and therapy. "Therapy" refers to intensive professional psychological/psychiatric treatment for individuals, couples, and family members related to counseling to provide emotional support in crises arising from the occurrence of crime. This includes the evaluation of mental health needs, as well as the actual delivery of psychotherapy.
- **Assistance with Participation in Criminal Justice Proceedings** - In addition to the cost of emergency legal services noted above, other costs associated with helping victims participate in the criminal justice system also are allowable. These services may include advocacy on behalf of crime victims; accompaniment to criminal justice offices and court; transportation to court; child care or respite care to enable a victim to attend court; notification of victims regarding trial dates, case disposition information, and parole consideration procedures; and assistance with victim impact statements.
- **Costs Necessary and Essential to Providing Direct Services** - This includes pro-rated costs of rent, utilities (in certain situations, i.e. a shelter), transportation costs for victims to receive services, emergency transportation costs that enable a victim to participate in the criminal justice system and local travel expenses for service providers.

- **Special Services** - Services to assist crime victims with managing practical problems created by the victimization such as acting on behalf of the victim with other service providers, creditors, or employers; assisting the victim to recover property that is retained as evidence; assisting in filing for compensation benefits; and, helping to apply for public assistance.
- **Personnel Costs** - Costs that are directly related to providing direct services, such as staff salaries and fringe benefits, including malpractice insurance; the cost of advertising to recruit SASP-funded personnel; and the cost of training paid and volunteer staff.

2. Other Allowable Costs and Services

The services, activities, and costs listed below are not generally considered direct crime victim services but often are necessary and essential activities to ensure that quality direct services are provided. Before these costs can be supported with SASP funds, the applicant must certify that they have no other source of support for them; and that only limited amounts of SASP funds will be used for these purposes. The following list provides examples of such items:

- **Skills Training for Staff** - SASP funds designated for training are to be used exclusively for developing the skills of direct service providers including paid staff and volunteers, so that they are better able to offer quality services to crime victims. An example of skills development is training focused on how to respond to a victim in crisis, and the travel expenses associated with this training, provided that they meet the State of Georgia's Travel Regulations as referenced in Section 4 of this application. **Please note that the CJCC will only reimburse these types of expenses for staff approved in the budget and for volunteers.**
- **Training Materials** - SASP funds can be used to purchase materials such as books, training manuals, and videos for direct service providers within the SASP -funded organization and can support the costs of a trainer for in-service staff development when the amounts do not exceed federal standards. Staff from other organizations can attend in service training activities that are held for the applicant staff.
- **Equipment and Furniture** - SASP funds may be used to purchase furniture and equipment that provides or enhances direct services to crime victims, as demonstrated by the SASP applicant.
- SASP funds **cannot** support the entire cost of an item that is not used exclusively for program eligible victim-related activities. However, SASP funds can support a pro-rated share of such an item. In addition, applicants cannot use SASP funds to purchase equipment for another organization or individual to perform a victim-related service. Examples of allowable costs may include beepers, typewriters, computers, video-tape cameras and players for interviewing children, two-way mirrors, equipment and furniture for shelters, work spaces, victim waiting rooms, and children's play areas.
- The cost of furniture, equipment such as Braille equipment or TTY/TTD machines for the deaf, or minor building alterations/improvements that make victim services more accessible to persons with disabilities and/or limited English proficiency are allowable.
- **Advanced Technologies** - At times, computers may increase an applicant's ability to reach and serve crime victims. For example, automated victim notification systems have dramatically improved the efficiency of victim notification and enhanced victim security.
 - In making such expenditures, SASP applicants must describe to the state how the computer equipment will enhance services to crime victims; how it will be

integrated into and/or enhance the applicant's current system; the cost of installation; the cost of training staff to use the computer equipment; the on-going operational costs, such as maintenance agreements and supplies; and how these additional costs will be supported, as maintenance costs **cannot** be supported with SASP funds.

- **Contracts for Professional Services** - SASP funds generally should not be used to support contract services. At times, it may be necessary for SASP applicants to use a portion of the SASP grant to contract for specialized services. Examples of these services include assistance in filing restraining orders or establishing emergency custody/visitation rights (the provider must have a demonstrated history of advocacy on behalf of domestic violence victims); emergency psychological or psychiatric services; or sign and/or interpretation for the hearing impaired or for crime victims whose primary language is not English.
 - Applicants are **prohibited** from using SASP funds for contracted services which contain administrative, overhead, or other indirect costs included in the hourly or daily rate.
- **Operating Costs** - Examples of allowable operating costs include supplies; equipment use fees, when supported by usage logs; printing; photocopying, and postage; brochures which describe available services; and books and other victim-related materials. SASP funds may support administrative time to complete SASP -required time and attendance sheets and programmatic documentation, reports, and statistics; administrative time to maintain crime victims' records; and the pro-rated share of audit costs.
- **Supervision of Direct Service Providers** - State administrators may provide SASP funds for supervision of direct service providers when they determine that such supervision is necessary and essential to providing direct services to crime victims. For example, a state administrator may determine that using SASP funds to support a coordinator of volunteers or interns is a cost-effective way of serving more crime victims.
- **Repair and/or Replacement of Essential Items** - SASP funds may be used for repair or replacement of items that contribute to maintaining a healthy and/or safe environment for crime victims, such as a furnace in a shelter. Applicants wishing to use SASP funds for these purposes must demonstrate the following:
 - That the building is owned by the applicant organization and not rented or leased.
 - All other sources of funding have been exhausted.
 - There is no available option for providing the service in another location.
 - That the cost of the repair or replacement is reasonable considering the value of the building.
 - The cost of the repair or replacement is pro-rated among all sources of income.
- **Public Presentations** - SASP funds may be used to support presentations that are made in schools, community centers, or other public forums and designed to identify crime victims and provide or refer them to needed services. Specifically, activities and costs related to such programs including presentation materials, brochures, and newspaper notices can be supported by SASP funds.

3. Unallowable Costs and Services

- Forensic medical exams and/or sexual assault forensic examiner projects for sexual assault victims are **not** allowable under SASP. Forensic interviews are considered

primarily investigative activities and are **not** direct victim services. Positions dedicated exclusively to investigative functions are not allowable. However, expenses for positions that combine forensic interviewing with other direct service functions may be pro-rated to exclude that proportion of time not dedicated to direct victim services.

- Criminal justice activities and projects such as law enforcement, prosecution, or court programs may not be supported with SASP funds.
- Expenses for positions whose primary responsibility is the coordination of inter-agency response teams or task forces, including Child Abuse Response Team, Sexual Assault Response Team, or Domestic Violence Task Force coordinators are not covered under SASP.
- Positions whose primary responsibility is agency administration and management, which includes attending board meetings, managing human resources and financial administration, are not covered under SASP.
- Personnel-related expenses for an Executive Director and/or Volunteer Coordinator whose functions include recruiting, training, and supervising volunteers who provide direct victim services may be reimbursed for that portion of their functions that are tied to volunteers. Reimbursement for such positions will be pro-rated to exclude that proportion of their time dedicated to agency administrative or support staff responsibilities.
- Expenses for positions whose primary responsibilities include staff support (e.g. secretary, administrative assistant, data entry specialist), fundraising, or public relations.
- Expenses for positions and related activities, whose primary function is community education and prevention, not outreach to victims.
- Purchasing and/or leasing a vehicle.
- Building renovations, including minor activities such as painting or carpeting.
- Conducting research, which **does not include** pre- and post-testing training recipients or conducting victim satisfaction or outcome surveys. In conducting such testing or surveys to assess program effectiveness, sub grantees may not collect, analyze or disseminate any information that may reveal a private person's or victim's identity.

Some public and nonprofit organizations that offer services to sexual assault victims are not eligible for SASP funding. These organizations include, but are not limited to:

- **Federal Agencies:** These include U.S. Attorneys' offices and FBI field offices. Receipt of victim services funds would constitute an augmentation of their federal budget with money intended for state agencies. However, private nonprofit organizations that operate on federal land may be eligible sub grantees.

- **In-patient treatment facilities:** These include those designed to provide treatment to individual with drug, alcohol, and/or mental health conditions.

B. Unallowable Activities

- Purchase of real property,
- Construction,
- Physical modifications to buildings, including minor renovations (such as painting or carpeting)

C. Core Services by Agency Type

The Criminal Justice Coordinating Council (CJCC) strives to be a responsible and exemplary steward of federal funds. In an effort to ensure that limited federal resources pay for basic services for all crime victims in Georgia, CJCC created the core service definitions for various types of programs that the agency typically funds with victim services grant funds.

These standards are based on extant program models across the state and should be revised as the response to victimization evolves and improves. The core service definitions outline the basic level of services agencies of various types should provide to be considered for CJCC Victim Services grant funds. The types of programs defined herein include: Court Appointed Special Advocates (CASA), Child Advocacy Centers (CAC's), Counseling Services, Domestic Violence Shelter & Non-Shelter Programs, Legal Service Programs, Sexual Assault Centers, and Victim Witness Assistance Programs.

These core service definitions are also the basis for any programmatic desk audits or site visits. CJCC grant monitoring staff will have a checklist based on these core service definitions to ensure programs are providing a minimum level of services with CJCC funds.
