Programmatic Measures

- Located at <http://cjcc.ga.gov>
- Grants<Grant Programs<JAG<Reporting
- Provided for data collection purposes

How is data submitted?

- Performance Measurement Tool (PMT)
New on- line reporting system

The screenshot shows the BJA Performance Tools website. At the top, there is a header with the BJA logo and the text "Bureau of Justice Assistance Solutions for Safer Communities". Below the header, there is a section titled "BJA Performance Tools" with a yellow arrow pointing right. Underneath, there is a section for the "Performance Measurement Tool (PMT)". This section includes a description of the tool's purpose, a list of features (Report Data and Create a report ready for the Grants Management System (GMS)), and a note about user ID and password requirements. Below this is a "Login" section with input fields for "User ID" and "Password", and a "Sign In" button. At the bottom, there is a section for the "BJA Training and Technical Assistance Reporting System (ITARS)" with a description and a list of features (Add training and technical assistance events and Report on activity related to these events).

BJA Performance Tools

Performance Measurement Tool (PMT)

The BJA Performance Measurement Tool supports BJA grantees ability to identify, collect, and report performance measurement data on activities funded by their award. After logging in, you will be able to:

- Report Data
- Create a report ready for the Grants Management System (GMS)

You must be a grantee of BJA to obtain a user ID and password to access these features. If you need a user ID or have questions or any problems; please feel free to contact the help desk staff at BJAPMT@csrincorporated.com
