Edward Byrne Memorial Justice Assistance Grant (JAG) Program 2016 Existing Local Project Application Packet

SECTION I: OVERVIEW AND INSTRUCTIONS

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (the Council) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of 26 members representing various components of the criminal justice system. The Council uses a small proportion of each fiscal year's award to pay for costs incurred in administering this grant program.

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program (42 U.S.C. 3751(a)) is the primary provider of federal criminal justice funding to state and local jurisdictions. The JAG program was created in 2005 by the merger of the Byrne Grant Program and the Local Law Enforcement Block Grant Program providing states and units of local governments with critical funding necessary to support a range of program areas within the criminal justice system.

Purpose Areas

JAG funds may be used for state and local criminal justice initiatives that will improve or enhance the following purpose areas:

- Law enforcement programs
- Prosecution and court programs
- Prevention and education programs
- Corrections and community corrections programs
- Drug treatment and enforcement programs
- Planning, evaluation and technology improvement programs
- Crime victim and witness programs (other than compensation)

SECTION II: APPLICATION PROCESS

Eligibility

Existing multi-jurisdictional drug task force (MJDTF) agencies and K-9 units who currently have a 2016 JAG award through the Criminal Justice Coordinating Council and meet the following criteria are eligible for an award under this solicitation.

In 2005, the Council established the following eligibility criteria for multi-jurisdictional task forces receiving Byrne JAG funds:

- at least two counties must participate;
- if only two counties participate, the largest municipality within each county must also participate; and
- if three or more counties participate, the cities are not required to participate.

In 2014, the Council established additional criteria for all funded drug task force agencies. All funded multi-jurisdictional drug task force agencies must have a minimum of ***four full-time task force agents plus one supervisory Commander*** to ensure that each MJDTF has ample support and sufficient manpower to guarantee safe operations. Should the number of task force agents fall below this criteria, the agency must submit a plan and timeline to the Council detailing the steps they will take to move into compliance.

Application Review

Applications will be reviewed and assessed by the Council and its designated representatives considering the following:

1. Past compliance with all financial and programmatic reporting requirements;
2. Overall quality and completeness of the application;
3. Demonstration of clear, measurable, and appropriate grant project objectives;
4. Demonstration of need including geographic location, local demographics, local statistics, other financial resources, etc.; and
5. Adequate correlation between the cost of the project and the objective(s) to be achieved.

Only complete applications received by the deadline will be reviewed. **When an application is received by the Council, there is no commitment on the part of the Council to fund an application or to fund it at the amount requested.** All areas of the budget are subject to review and approval. Decisions related to these budget areas are based on both eligibility and reasonableness. The Council has full discretion to determine the reasonableness of budget items based on both objective and subjective decision-making tools. See "Restrictions on Use of Funds" subsection below to determine whether budget items requested are allowable prior to submitting your budget.

Applications for funding will undergo several reviews. At any point during these reviews, a decision to not fund a project or any part thereof may be made. These decisions are within the complete discretion of the Council.

Funding Decisions

All funding decisions related to the JAG program applications received in response to this solicitation are made by the Council and are based on the availability of funding and recommendations of the review panel to the Criminal Justice System Advisory Committee. The Council will inform the applicant of funding decisions through a grant award. Applicants should not make assumptions regarding funding decisions until they have received official written notification of award or denial signed by either the Governor and/or Council Director. Applicants can appeal the initial funding decision, but must do so within fifteen (15) days of the date on the denial notice.

Once an award is made, the Council maintains the discretion to determine that a subgrantee is not compliant with applicable policies, upon such a determination, terminate further funding and require reimbursement of grant funds to the Council.

Funds Restrictions

For local drug task force agencies, use of funding is restricted to personnel salary and fringe benefits costs. Indirect costs may not be requested through this grant program.

For regional drug task force agencies, due to expansive coverage areas, consideration will be provided for personnel and some operational expenses.

Existing programs are eligible for a 2017 maximum award consistent with 2016 funding levels (see Appendix A).

Match

No match is required.

Supplanting

Funds must be used to supplement existing funds for program activities and cannot replace or supplant nonfederal funds that have been appropriated for the same purpose.

SECTION III: POST-AWARD REQUIREMENTS

Grant Acceptance

Subgrantees must accept or reject the grant award with original signatures and required forms within forty-five (45) days of the award date. The subgrantee will be unable to request funds until the award documents are received by the Council's office.

Special Conditions

At the time of the subgrant award, the Council will assign special conditions as the Council deems appropriate for the program. The special conditions will outline the subgrantee's responsibilities, as well as federal and state regulations that must be adhered to, as a condition of accepting the grant award for the approved program. The special conditions will be included in

the award packet and must be reviewed, signed and returned to the Council within forty-five (45) days of the award date.

Performance Measures and Reporting Requirements

The Bureau of Justice Assistance (BJA), Office of Justice Programs, the federal entity that administers the JAG program, has developed performance measures for all program types funded with JAG program funds. As such, the Council requires that all JAG-funded subgrantees complete a quarterly statistical report using BJA's Performance Measurement Tool (PMT). The goal of the PMT is to assist states in producing evidence-based guidance on monitoring and evaluating programs.

PMT reporting is completed based on grant-funded activities and due on the following dates:

Reporting Period	Due Date
January 1 - March 31	April 10
April 1 - June 30	July 10
July 1 - September 30	October 10
October 1 - December 31	January 10

SECTION IV: APPLICATION PROCESS

Program Narrative

All applications must also include narrative information to provide a statement of the problem, description of project activities, program impact and a sustainability plan as described below.

Statement of the Problem (1-2 pages): The submission of this application presumes there is a definable problem, which will be solved either in whole or in part with the grant program for which funds are being requested. You should describe the problem that justifies the need for funding.

Program Activities (2-3 pages): Provide a description of the program and explain how the program's activities will resolve the problem identified in the previous section. Also include in this section:

Personnel/Competencies: A list of personnel that your agency proposes to fund and describe their benefit to the program. Attach job descriptions, credentials and personnel action forms for **all** currently employed personnel funded under this grant. Attach job descriptions for any vacant positions for which your agency is requesting funds.

Operations and Activities: Clearly state how the activities, investigative methods, and collaborative approach in which the task force seeks to engage will resolve the problems identified in your statement of the problem in the previous section.

Goals, Objectives, and Performance Measures (1-2 pages): Describe the goals of the proposed program and identify its objectives.

Goals. Describe the program's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

Program Objectives. Explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be clearly linked to the problem identified in the preceding section and measurable.

Performance Measures. Briefly describe the methods that will be used to collect data and report outcomes to the Council.

Partnerships and Collaborations (1 page or less): Briefly describe partnerships and collaborative efforts as they relate to the scope of the program. Include copies of the Memoranda of Understanding (MOU) that your agency has entered into with all partner agencies. The MOU should clearly identify all partner agencies and must be signed by the appropriate officials.

Sustainability Plan (1 page or less): The sustainability plan should be used to describe your agency's ability to support the program in the event funding through this solicitation is reduced or no longer available. The Council encourages all subgrantees to find alternative sources of funding to avoid being completely dependent on a sole funding source. Describe potential alternative sources of funding and a plan for continued operation and services should funding under Byrne JAG be reduced or eliminated.

In an attached worksheet/spreadsheet, provide a detailed programmatic breakdown of all funds that support task force operations. List any and all federal, state and local government funding received, as well as funds received through asset forfeitures. The breakdown should indicate the amount of federal, state and other resources which comprise the overall budget. The attachment will not count towards the page limit.

SECTION V: BUDGETS

Budget Detail

Complete and attach the budget detail worksheet. For this grant period, use of funding is restricted to personnel salary and fringe benefits costs. Read and follow the instructions for the Personnel section of the budget detail worksheet carefully, providing information for all personnel to be paid with grant funds for the grant beginning January 1, 2017 through December 31, 2017. If you are requesting funding to cover fringe benefits, be sure to follow the instructions on the budget detail worksheet carefully and show each benefit for each position as a separate calculation.

Budget Narrative

The Budget Narrative should thoroughly and clearly describe every category of expense listed on the Budget Detail Worksheet. Proposed budgets are expected to be complete; reasonable and allowable; cost effective; and necessary for project activities. The narrative should be mathematically sound and correspond with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how all costs were estimated and calculated and how they are relevant to the program.

Important note: A plan/timeline must be attached if vacant positions are to be considered for funding. If your agency's application proposes funding for currently vacant positions, provide a plan and timeline to fill each vacant position. The timeline should assume each proposed position will be filled and active no later than the grant period end date of December 31, 2017. Provide details of how long the position has been vacant, the reason for the vacancy, and the steps previously taken to fill the position. Provide documentation (e.g., job postings) of the efforts made to fill vacant positions.
