

AMENDMENT to the
2014 Request for Proposal (RFP)
JUVENILE JUSTICE DELINQUENCY
PREVENTION AND TREATMENT PROGRAMS

The following corrections have been made to the Juvenile Justice Delinquency Prevention and Treatment Programs RFP, originally released October 8, 2014.

1. The award period is December 1, 2014 – August 31, 2015
2. A PDRA is *not required* for grant funded youth, as some youth in the program may be diverted prior to adjudication. However, all youth in the program must have come into contact with the juvenile justice system.
3. Applicants are not required to report the current number of offenders scoring a 1 or lower on the PDRA if that information is not available.

Deadline

All applications are due at 5:00 p.m. on November 7th, 2014
