Victims of Crime Act (VOCA) Grant Program 2018 Continuation Request for Applications

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (CJCC) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-seven members representing various components of the criminal justice system. CJCC is charged with fiscal and programmatic oversight of VOCA.

Agencies must submit an application to be considered for continuation funding. Agencies are encouraged to read this entire RFA thoroughly before preparing and submitting their grant application.

Overview

The VOCA Formula Grant Program, created under the 1984 Victims of Crime Act, provides federal funding to support victim assistance and compensation programs, to provide training for diverse professionals who work with victims, to develop projects to enhance victims' rights and services, and to undertake public education and awareness activities on behalf of crime victims. The Office for Victims of Crime (OVC) was created by the U.S. Department of Justice and formally established by Congress in 1988 through an amendment to the Victims of Crime Act of 1984 (VOCA). OVC provides federal funds to support victim assistance and compensation programs around the country. The Crime Victims' Fund is the source of funding for these programs. Millions of dollars are deposited into the Crime Victims' Fund annually from criminal fines, forfeited bail bonds, penalties, and special assessments collected by U.S. Attorneys' Offices, federal U.S. courts, and the Federal Bureau of Prisons. To date, Crime Victims' Fund dollars have always come from offenders convicted of federal crimes, not from taxpayers.

According to the 2016 VOCA Program Rules, direct services or services to victims of crime are defined as those efforts that (1) respond to the emotional, psychological, and physical needs of crime victims, (2) assist victims to stabilize their lives after victimization, (3) assist victims to understand and participate in the criminal justice system, or (4) restore a measure of safety and security for the victim. For the purpose of the VOCA crime victim assistance grant program, a victim of crime is a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime. **Generally, funding cannot be used for the investigation of crimes or collection of evidence to further the prosecution of crimes.**

States have sole discretion to determine which organizations will receive funds, and in what amounts, as long as the subgrantees meet the requirements of VOCA and the Program Guidelines. In addition to organizing and overseeing the distribution of funds, CJCC monitors subgrantees' fiscal and program performance and submits required progress reports to OVC.

Under the VOCA Program Guidelines and Rules, priority is given to programs serving victims of sexual assault, child abuse, and domestic violence. At least 30% of each year's formula grant must be allocated to sexual assault, child abuse, and domestic violence services; 10% for each category. An additional 10% must also be allocated to victims of violent or property crime who are "previously underserved," which indicates that the particular victim

population historically or currently has not had access to or been provided with specialized or adequate services. OVC includes groups as underserved or unserved when their access to services is limited by factors such as language barriers, economic limitations, disabilities, or location. Groups of victims who fall into this category may be identified by the type of crime they experience, characteristics of the victim, or both. Victims may also differ between jurisdictions. Examples include, but are not limited to: DUI/DWI victims, survivors of homicide victims, American Indian/Alaska Native victims in certain jurisdictions with insufficient victim service resources, victims of physical assault, adults molested as children, victims of elder abuse, victims of hate and bias crime, victims of kidnapping, child victims and adult survivors of child pornography, child victims of sex trafficking, victims of violent crime in high crime areas, LGBTQ victims, victims of federal crimes, victims of robbery, and victims of gang violence.

A. Eligibility

Applicants are limited to agencies that received a FY2017 VOCA Award, provide services to crime victims, and are operated by a public agency, a nonprofit organization, or a combination of such agencies or organizations. **Please note that the Criminal Justice Coordinating Council has approved individual allocation amounts for this solicitation (please see the Appendix B). Any award made pursuant to this solicitation is dependent upon the receipt and availability of federal grant awards and any requirements or conditions attached thereto.**

Eligible organizations include victim services organizations whose sole mission is to provide services to crime victims. These organizations include but are not limited to: sexual assault and rape treatment centers, domestic violence programs and shelters, child abuse programs, centers for missing children, mental health services, and other community-based victim coalitions and support organizations.

In addition to victim service organizations whose sole purpose is to serve crime victims, many other public and non-profit organizations have components which offer services to crime victims. These organizations are eligible to receive VOCA funds if the funds are used for projects that deliver services to crime victims. Certified [domestic violence](#) and [sexual assault](#) centers must also comply with their respective state standards. These organizations include, but are not limited to, the following:

- **Criminal Justice Agencies** – Law enforcement agencies, prosecutors’ offices, courts, corrections departments, and probation and paroling authorities are eligible to receive VOCA funds to help pay for direct victims’ services.
- **Religiously-Affiliated Organizations** – Organizations receiving VOCA funds must ensure that direct services are offered to all crime victims without regard to religious affiliation and that the receipt of services is not contingent upon participation in a religious activity or event. No eligible applicant or grantee will be discriminated against on the basis of its religious character or affiliation, or religious name. Faith-based and community organizations are required to abide by the same regulations and requirements specifically associated with the program under which they are awarded a grant, as any other agency awarded funding.
- **Hospitals and Emergency Medical Facilities** - Organizations must offer crisis counseling, support groups, and/or other types of direct victim services.
- **Others** – State and local public agencies such as mental health service organizations, state and/or local public child and adult protective services, state grantees, legal service agencies and programs with a demonstrated history of advocacy on behalf of victims of crime, and public housing authorities that have components specifically trained to directly serve crime victims.

Additional Specific Eligibility Requirements

VOCA-established eligibility criteria must be met by all organizations that receive VOCA funds. These funds are awarded to applicants to provide services to victims of crime through their program staff. Each applicant organization shall meet the following requirements:

- **Public or non-profit organization** – To be eligible to receive VOCA funds, organizations must be operated by a public or private non-profit organization, or a combination of such organizations, and provide services to victims of crime.
- **Mandated Use of Volunteers** – Programs must use volunteers in order to be eligible for VOCA funds.
- **Provide match** – All VOCA program recipients must contribute to the total cost of their VOCA-funded project by providing 20% match, either cash or in-kind, from non-federal sources. Waivers may be available for the overall match requirement. Please see pages 7-8 for additional information on match requirements.
- **Record of effective services** – An agency must demonstrate a record of providing effective services to victims of crime. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and a breadth or depth of financial support from other sources. For a glossary of terms and services, please refer to the [2018 VSSR Guide](#) on CJCC's website.
- **Promote community efforts to aid crime victims** – An agency must promote community-based coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on state, federal, local, or Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams. Coordination efforts also include developing written agreements that contribute to better and more comprehensive services to crime victims.
- **Help victims apply for compensation benefits** – Agencies must assist potential recipients of crime victim compensation benefits (including potential recipients who are victims of federal crime) in applying for such benefits including, but not limited to: referring potential recipients to an organization that can assist, identifying crime victims and advising them of the availability of benefits, assisting potential recipients with application forms and procedures, obtaining necessary documentation, monitoring claim status, and intervening on behalf of potential recipients with the crime victims' compensation program.
- **Comply with federal rules regulating grants** – Applicants must comply with the applicable provisions of VOCA and the [Office of Justice Programs \(OJP\) Financial Guide](#) which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. Other requirements are also outlined in the special conditions to the subgrant award. This includes financial documentation for disbursements, daily time and attendance records specifying time devoted to allowable VOCA victim services, client files, the portion of the project supplied by other sources of revenue, job descriptions, contracts for service, and other records which facilitate an effective audit.
- **Comply with CJCC grant requirements** – Agencies must adhere to financial and programmatic guidelines, comply with deadlines, and provide all information to CJCC and/or other state/federal agencies as requested in a timely fashion, including: Office of the Inspector General, Georgia Department of Audits and Accounts, and Department of Justice.
- **Services to victims of federal crimes** – Applicants must provide services to victims of federal crimes on the same basis as victims of state and/or local crimes.
- **Promote victim safety** – CJCC prohibits activities that compromise victim safety, such as requiring victims to meet with offenders.
- **No charges to victims for VOCA-funded services** – Applicants must provide VOCA-funded direct services at no charge, unless CJCC grants a waiver allowing the applicant to generate program income by charging for services.

- **Maintain confidentiality** – Eligible agencies must have policies and procedures in place that safeguard the confidentiality of all victim records, contact information, personal identifying information, and other sensitive information. These measures must be consistent with applicable Federal, state and local laws regarding privacy and confidentiality. Policies and procedures must allow for information sharing of certain non-personal identifying data and court, law enforcement, and prosecution-generated information in certain circumstances.
- **5% Local Victim Assistance Program Certification and Eligibility** – Applicant agencies should be certified and eligible to receive 5% funds. Agencies without certification may apply for funding; however, if funding is awarded, the agency must [complete certification](#) requirements prior to drawing down funds.

B. Reporting Requirements

CJCC requires that subgrantees comply, with and fully participate in, the financial, programmatic, and evaluation reporting for this grant program. CJCC staff provides training and technical assistance to assist subgrantees in accurate data collection and reporting. Assistance may be requested by contacting your assigned grant specialist.

Data submitted via the Victim Services Statistical Report (VSSR) must be prorated to accurately reflect the use of VOCA funds. Subgrantees are expected to establish data collection and reporting procedures to provide CJCC with accurate and prorated data by each quarterly deadline. Outcome performance measures (OPM) data is reported regardless of funding source and therefore does not require proration.

Failure to submit any required reports by the deadline specified may significantly delay any and all subgrant expenditure reimbursements (SERs) submitted relative to the grant period. Repeated or continued delays may result in a staff recommendation requesting a reduction to the overall grant award for noncompliant agencies.

Quarterly Progress Reports: All VOCA subgrantees will be required to submit reports on their program outputs supported by VOCA funding on a quarterly basis. VOCA victim service programs must complete the VSSR which details the number of victims (new and existing) served by type of victimization, and number of services delivered by type of service. VOCA victim-service subgrantees must collect data according to the categories of the VSSR. Victimization and service definitions are provided in the [2018 VSSR Guide](#) that is posted on CJCC's website. All statistical reports are due 20 days following the end of the quarter. These reports are processed through the Statistical Analysis Center (SAC). Agencies who are late with this report may experience a delay in processing reimbursement reports.

<i>VSSR QUARTERLY PROGRESS REPORTS</i>		
<i>QUARTER</i>	<i>REPORTING PERIOD</i>	<i>DUE DATE</i>
1	October 1 – December 31	January 20
2	January 1 – March 31	April 20
3	April 1 – June 30	July 20
4	July 1 – September 30	October 20

All statistical reports must be submitted electronically using CJCC's online reporting tool or data management system. Subgrantees will use the link provided by CJCC for the reporting tool along with the assigned permanent username and password to complete their reports. The link to submit these reports will be activated at the beginning of the reporting period and shut down on the last day of the reporting period.

VOCA subgrantees are also required to complete narrative questions via the VSSR as part of the fourth quarter report. These questions are open-ended questions about agency issues, concerns, and success stories as well as service delivery obstacles and achievements.

Annual Outcome Performance Report: All VOCA grant subgrantees must use the survey instruments on the CJCC's website to submit reports on their program outcomes. The instruments are categorized by the type of victims an agency serves. VOCA subgrantees must follow the updated version of the [Outcome Performance Measurement Guide](#). The [surveys](#) are available on the CJCC website, along with Excel spreadsheets to compile and aggregate data from individual clients.

Outcome performance data is reported once per year. The outcome survey should be provided to all clients, regardless of whether their services were supported by VOCA funding. The sole outcome performance reporting date for ALL victim services subgrantees is as follows:

<i>OUTCOME PERFORMANCE MEASURES</i>	
<i>REPORTING PERIOD</i>	<i>DUE DATE</i>
October 1 – September 30	October 30

Monthly or Quarterly Subgrant Expenditure Requests: Upon accepting the award, each agency is required to submit Monthly or Quarterly SERs to CJCC. Monthly SERs are due on the 15th day of the month immediately following the month in which expenses were incurred; i.e., an SER for expenses incurred in January is due by February 15. Quarterly SERs are due on the following dates for the corresponding financial reporting periods:

<i>QUARTERLY SERs</i>	
<i>FINANCIAL REPORTING PERIOD</i>	<i>DUE ON THE FOLLOWING DATES</i>
October 1 – December 31	January 30
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30

Requests with an original signature must be submitted via mail to the assigned grant specialist for processing to begin and prevent delays. Delays may also occur if statistical reports are not submitted.

Post-Award Requirements

1. **Compliance Monitoring** - CJCC staff monitoring activities may also be conducted throughout the grant year; i.e. site visits and desk reviews. Visits and reviews will be scheduled with the grantee in advance. Site visits and desk reviews will be conducted to monitor the program for implementation and to view program documentation.
2. **Additional Training, Technical Assistance, and Events** - CJCC may offer several non-mandatory, post-award training and technical assistance opportunities and special events. Grantees will be informed of events via e-mail, and the events will be posted on the CJCC website. CJCC staff also will give ongoing, individual technical assistance, and other support activities to subgrantees as needed or requested throughout the year.

C. Other Requirements

Various requirements can be met with proper documentation available upon request and many are time-sensitive. All subgrantees are required to be in compliance, and it is the responsibility of the agency to become acquainted with such requirements.

Program Match Requirement

The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. Matching contributions of 20% (cash or in-kind) of the total costs of each VOCA project (VOCA grant funds plus match) are required and must be derived from non-federal sources. *All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period.* Match must be provided on a project-by-project basis. Please see the budget section for the formula used to calculate match relative to the project's total budget.

For the purpose of this program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the applicant's organization. If the required skills are not found in the applicant's organization, the rate of compensation must be consistent with the labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of donated space may not exceed the fair rental value of comparable space established by an independent appraisal of comparable space and facilities in privately owned buildings in the same locality.

Subgrantees must maintain records that clearly show the source, the amount, and the period during which the match was allocated. The basis for determining the value of materials, equipment, and space must be documented. Volunteer services used as match must be documented and supported by the same methods used for VOCA funded employees.

All matching contributions must be:

- Verifiable from the subgrantee's records

- Not included as a contribution for any other Federal Funds
- Necessary and reasonable to accomplish the project's goals
- Allowable charges
- Not paid by the applicant from Federal or State funds received under another assistance agreement
- Included in the budget approved by CJCC
- In accordance with all other Federal and State requirements

Match Waivers

If an agency would like to request a match waiver, a letter must be submitted on agency letterhead to the CJCC at the time of application. The letter should outline the reasons why the agency will have trouble meeting the full match requirement and should indicate the amount of match the agency will be able to provide. CJCC staff will review the waiver request to determine eligibility and if it should be forwarded to the federal OVC. CJCC will compile all eligible match waiver requests and send them to OVC at the same time. In order to request a match waiver, include the request along with the award package when it is submitted.

Letters requesting a match waiver should include the following minimum elements:

- A brief description of the agency and the VOCA-funded project
- A brief explanation of why the full match amount is a hardship for the agency
- A brief description of how not receiving a match waiver may result in fewer victims being served
- When appropriate, describe why the agency will not be able to retain the number of volunteers needed to meet the match requirement
- Indicate how much match the agency will be able to provide
- Any other important information deemed necessary by the requesting agency

Please see the Request for Match Waiver [sample and instructions](#) on the CJCC website.

Volunteers

Applicant organizations must use volunteers unless CJCC determines there is a compelling reason to waive this requirement. A “compelling reason” may be a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort. **Note:** Although CJCC no longer requires agencies to submit a minimum level of volunteers as match, applicant organizations **must** use volunteers to be eligible for VOCA funds. In addition, CJCC encourages agencies to utilize volunteers to the greatest extent possible.

Religion

Grantee programs may not promote, discuss, or teach religion. Program activities and services are required to be accessible to any interested participant, regardless of religious affiliation.

Criminal Background Checks

All subgrantees must conduct a state or national criminal background check on all direct service and outreach personnel who have contact with victims and their children once every three years. Agencies must use Cogent Systems, Georgia Applicant Processing Services or Federal Bureau of Investigation Departmental Order to conduct a state or national background check on all direct service shelter and outreach staff every three years.

Internet Security Policy

CJCC requires all subgrantees to establish and enforce an Internet Security Policy when participants, volunteers, and/or staff have access (supervised or unsupervised) to protect the confidentiality, integrity, and availability of data while preventing malicious and other security threats. This includes any technology provided by CJCC funding and technology utilized by participants during a CJCC funded program component.

Comply with CJCC grant requirements

Agencies must adhere to financial and programmatic guidelines, comply with deadlines, and provide all information to CJCC as requested in a timely manner.

Fiscal Accountability

Commingling of funds on either a program-by-program or project-by-project basis is prohibited.

The subgrantee's accounting system must maintain a clear audit trail for each source of funding for each fiscal budget period and include the following:

- Separate accountability of receipts, expenditures, disbursements and balances. CJCC recommends creating an account in your accounting system for each grant using the grant number provided by CJCC.
- Itemized records supporting all grant receipts, expenditures and match contributions in sufficient detail to show exact nature of activity.
- Data and information for each expenditure and match contribution with proper reference to a supporting voucher or bill properly approved.
- Hourly timesheets describing work activity, signed by the employee and supervisor, to document hours personnel worked on grant related activities. Match hours must be documented in same manner.
- Maintenance of payroll authorizations and vouchers.
- Maintenance of records supporting charges for fringe benefits.
- Maintenance of inventory records for equipment purchased, rented, and contributed.
- Maintenance of billing records for consumable supplies (i.e., paper, printing) purchased.
- Provisions for payment by check.
- Maintenance of travel records (i.e., mileage logs, gas receipts).
- Lease Agreements, contracts services, and purchases of equipment that adhere to established procurement processes.

Office of Civil Rights

Pursuant to 28 C.F.R. Section 42.302, all subgrantees of federal funds must be in compliance with [Equal Employment Opportunity Plan](#) (EEO) and Civil Rights requirements. All programs that receive VOCA funds or are subawarded VOCA funds via program agreements are required to be familiar with and comply with all relevant federal civil rights requirements, and to that end are required to participate in the designated training once per grant period. If there is a violation it may result in suspension or termination of funding until such time as the subgrantee is in compliance. Information on the required **annual** OJP Civil Rights trainings can be found at the link below.

[Office for Civil Rights - Training for Grantees](#)

Nondiscrimination

Federal laws prohibit subgrantees of financial assistance from discriminating on the basis of race, color, religion, national origin, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Subgrantees must maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by CJCC. Compliance with guidance as may be issued from time to time by the Office for Civil Rights and CJCC is required per 28 C.F.R. part 42.

Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, subgrantees of federal assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency. Access <http://www.lep.gov> for more information. CJCC requires subgrantees to have written LEP plans that outline their policies and procedures for ensuring victims have access to necessary forms of communication, both written and verbal.

Equal Employment Opportunity Plans

The applicant agency must meet the requirements of 28 CFR 42.301 et seq., EEOP. The plan must cover the grant period specified in the application. If technical assistance is needed while preparing an [Equal Employment Opportunity Plan](#), please contact the Office for Civil Rights Compliance Specialist, Office of Justice Programs, Washington, D.C., (202) 307-0690.

To accept the grant award, each applicant must return all award documents and all required forms with original signatures within 45 calendar days of the award date. The applicant will be unable to request funds until all required documents are accurately completed and returned to the CJCC office.

Special Conditions

At the time of the subgrant award, CJCC will assign special conditions for each approved project. Each subgrantee should refer to their award packet for their special conditions. Applicants agree to comply with all the guidelines set forth by CJCC. These guidelines can be found in the Subgrantee Programmatic and Fiscal Compliance Policy on CJCC's website. Any programmatic and/or fiscal non-compliance may result in a reduction of the award.

Other

Budget

All applicants must attach a budget using the provided [Detailed Budget Worksheet](#). All line items within the budget are subject to review and approval. Decisions related to these budget line items are based on allowance of line item costs per VOCA program guidelines, justification of costs in relation to project activities, and reasonableness of costs based on current market rates.

These 2018 VOCA awards are only for continuation funding. The award amount received for the most recent grant year should remain the same, pending availability of federal funds and compliance with programmatic and fiscal requirements imposed in your special conditions. Your budget should reflect the federal award amount received in 2017. Please see the Appendix B for the list of 2017 awards by grant ID number, which details the agency's name, program type and federal award amount. FY2017 awards that included one-time costs and require budget adjustments will be reviewed prior to approval/activation.

All projects must submit a minimum funding match of 20% through cash and/or in-kind contributions unless a waiver will be requested. The sources of the match must be identified in the budget section of the application. The VOCA guidelines require the use of volunteers to meet at least 25% of the required 20% match. Please note that *volunteer hours are valued by the CJCC at \$15.00 per hour* unless you submit a written request for higher rates to CJCC in your award packet.

The requirements and limitations that apply to the use of federal funds also apply to the use of matching funds. Matching funds must be used only for the VOCA-funded project during the grant period to support the identified goals, objectives, and activities. Thus, the matching funds cannot be used to support activities that are not concurrently supported by VOCA formula funds.

Formula for Match Calculation

- 1) Total Project Budget x Match Requirement Percentage = Match Requirement
- 2) Match Requirement x Volunteer Match Requirement Percentage = Volunteer Match Requirement
- 3) Total Project Budget – Match Requirement = Amount of Grant Request

Example 1:

For a project with a total budget of \$100,000 and a 20% Match Requirement Percentage:

- 1) $\$100,000 \times 20\% = \$20,000$ (Match Requirement)
- 2) $\$20,000 \times 25\% = \$5,000$ (Volunteer Match Requirement)
- 3) $\$100,000 - \$20,000 = \$80,000$ (Grant Request/Federal Amount)

Program Income

The Department of Justice, Office of Justice Program, and Office for Victims of Crime allow the use of program income only to supplement project costs or reduce project costs to be refunded to the Federal government.

“Program income” is gross income earned during the funding period by the subgrantee as a direct result of the grant award. *As a general rule, the CJCC does not allow VOCA applicants to earn or use program income.*

Allowable and Unallowable Costs

Allowable costs include services and activities that are eligible for support with VOCA grant funds. Unallowable costs are ineligible for use for various services or activities.

Supplanting

Funds must be used to supplement existing funds for program activities and cannot replace or supplant funds that have been appropriated for the same purpose.
