Edward Byrne Memorial Justice Assistance Grant (JAG) Program 2023 Existing Local Project Application Packet

SECTION I: OVERVIEW AND INSTRUCTIONS

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (the Council) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of 26 members representing various components of the criminal justice system. The Council uses a small proportion of each fiscal year's award to pay for costs incurred in administering this grant program.

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program (42 U.S.C. 3751(a)) is the primary provider of federal criminal justice funding to state and local jurisdictions. The JAG program was created in 2005 by the merger of the Byrne Grant Program and the Local Law Enforcement Block Grant Program providing states and units of local governments with critical funding necessary to support a range of program areas within the criminal justice system.

Purpose Areas

JAG funds may be used for state and local criminal justice initiatives that will improve or enhance the following purpose areas:

- Law enforcement programs
- Prosecution and court programs
- Prevention and education programs
- Corrections and community corrections programs
- Drug treatment and enforcement programs
- Planning, evaluation, and technology improvement programs
- Crime victim and witness programs (other than compensation)
- Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams

SECTION II: APPLICATION PROCESS

Eligibility

Existing multi-jurisdictional drug task force (MJDTF) agencies and K-9 units who currently have a 2022 JAG award through the Criminal Justice Coordinating Council and meet the following criteria are eligible for an award under this solicitation.

In 2005, the Council established the following eligibility criteria for multi-jurisdictional task forces receiving Byrne JAG funds:

- at least two counties must participate;
- if only two counties participate, the largest municipality within each county must also participate; and
- if three or more counties participate, the cities are not required to participate.

In 2014, the Council established additional criteria for all funded drug task force agencies. All funded multi-jurisdictional drug task force agencies must have a minimum of ***four full-time task force agents plus one supervisory Commander*** to ensure that each MJDTF has ample support and enough manpower to guarantee safe operations. Should the number of task force agents fall below this criterion, the agency must submit a plan and timeline to the Council detailing the steps they will take to move into compliance.

Application Review

Applications will be reviewed and assessed by the Council and its designated representatives considering the following:

1. Past compliance with all financial and programmatic reporting requirements;
2. Overall quality and completeness of the application;
3. Demonstration of clear, measurable, and appropriate grant project objectives;
4. Demonstration of need including geographic location, local demographics, local statistics, other financial resources, etc.; and
5. Adequate correlation between the cost of the project and the objective(s) to be achieved.

Only complete applications received by the deadline will be reviewed. **When an application is received by the Council, there is no commitment on the part of the Council to fund an application or to fund it at the amount requested.** All areas of the budget are subject to review and approval. Decisions related to these budget areas are based on both eligibility and reasonableness. The Council has full discretion to determine the reasonableness of budget items based on both objective and subjective decision-making tools. See "Restrictions on Use of Funds" subsection below to determine whether budget items requested are allowable prior to submitting your budget.

Applications for funding will undergo several reviews. At any point during these reviews, a decision to not fund a project or any part thereof may be made. These decisions are within the complete discretion of the Council.

Funding Decisions

All funding decisions related to the JAG program applications received in response to this solicitation are made by the Council and are based on the availability of funding and recommendations of the review panel to the Criminal Justice System Advisory Committee. The Council will inform the applicant of funding decisions through a grant award. Applicants should not make assumptions regarding funding decisions until they have received official written notification of award or denial signed by either the Governor and/or Council Director. Applicants can appeal the initial funding decision but must do so within ten (10) days of the date on the denial notice.

Once an award is made, the Council maintains the discretion to determine that a subgrantee is not compliant with applicable policies. Upon such a determination, the Council may terminate further funding and require reimbursement of grant funds.

The expected allocations by existing programs for the fiscal year (FY) 2023 JAG Program will be consistent with the 2022 funding levels (see Appendix A).

Restrictions on Use of Funds

JAG funds cannot be used directly or indirectly for security enhancements or equipment to nongovernmental entities not engaged in criminal justice or public safety. Indirect costs, not limited to expenses such as accounting, payroll, data processing, purchasing, personnel, and building use, may not be requested through this grant program. In addition, the following items are prohibited:

- Vehicles, vessels, or aircraft;
- Luxury items;
- Real estate; and
- Construction projects, other than penal or correctional institutions
- Prizes, incentives, or other trinkets
- Any similar matters

Match

No match is required.

Supplanting

Funds must be used to supplement existing funds for program activities and cannot replace or supplant nonfederal funds that have been appropriated for the same purpose.

Risk Assessment and Monitoring

Risk Assessment and Monitoring. [2 CFR 200.332\(b\)](#) states that “all pass-through entities must... evaluate each subrecipient’s risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for the purposes of determining the appropriate subrecipient monitoring.”

The Byrne- JAG monitoring schedule will be developed based on the overall subrecipient risk. The risk assessment should be completed using the subgranting agency's information. Click [here to complete risk assessment](#). See below for instructions on how to complete the risk assessment:

- [Non-Profit Risk Assessment Instructions](#)

The special conditions will outline the subgrantee's responsibilities, as well as federal and state regulations that must be adhered to, as a condition of accepting the grant award for the approved program. The special conditions will be included in the award packet and must be reviewed, signed, and returned to the Council within forty-five (45) days of the award date.

Office of Civil Rights

Pursuant to 28 C.F.R. Section 42.302, all recipients of federal funds must be in compliance with EEO and Civil Rights requirements. All programs that receive Byrne JAG funds or are subawarded Byrne JAG funds via program agreements are required to conform to the grant program requirements and all applicable civil rights laws. Violations may result in suspension or termination of funding until CJCC determines the recipient is in compliance. Information on required biannual agency-wide Civil Rights trainings can be found at <http://ojp.gov/about/ocr/assistance.htm>.

Nondiscrimination

Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits. Findings of discrimination must be submitted to the Office for Civil Rights and to CJCC.

Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency. For more information, access <http://www.lep.gov>. CJCC requires subgrantees to have written LEP plans that outline the policies and procedures for ensuring access to necessary forms of written and verbal communication.

Equal Employment Opportunity Plans

The applicant agency must meet the requirements of 28 CFR 42.301 et seq., Equal Employment Opportunity Plans (EEO). If your agency needs technical assistance in preparing an Equal Employment Opportunity Plan, please contact the Office for Civil Rights Compliance Specialist, Office of Justice Programs, Washington, D.C., (202) 307-0690.

Performance Measures and Reporting Requirements

The Bureau of Justice Assistance (BJA), Office of Justice Programs, the federal entity that administers the JAG program, has developed performance measures for all program types funded with JAG program funds. As such, the Council requires that all JAG-funded subgrantees complete a quarterly statistical report using BJA's Performance Measurement Tool (PMT). The goal of the PMT is to assist states in producing evidence-based guidance on monitoring and evaluating programs.

PMT reporting is completed based on grant-funded activities and due on the following dates:

Reporting Period	Due Date
January 1 - March 31	April 15
April 1 - June 30	July 15
July 1 - September 30	October 15
October 1 - December 31	January 15

Attach job descriptions for any vacant positions for which your agency is requesting funds.

Goals. Describe the program's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

The MOU should clearly identify all partner agencies and must be signed by the appropriate officials.

Sustainability Plan (1 page or less): The sustainability plan should be used to describe your agency's ability to support the program in the event funding through this solicitation is reduced or no longer available. alternative sources of funding and a plan for continued operation and services should funding under Byrne JAG be reduced or eliminated.

In an attached worksheet/spreadsheet, provide a detailed programmatic breakdown of all funds that support task force operations. List all federal, state and local government funding received, as well as funds received through asset forfeitures.
