Competitive Request for Application

SECTION I: OVERVIEW AND INSTRUCTIONS

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (the Council) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of 26 members representing various components of the criminal justice system. The Council uses a small proportion of each fiscal year's award to pay for costs incurred in administering this grant program.

Overview of the State of Georgia's Accountability Court Funding Program

The Council of Accountability Court of Judge (CACJ) was created in 2015 by the Georgia Legislature and by Governor Nathan Deal to provide courts with the critical funding necessary to support the growth of Accountability Courts in Georgia to reduce the prison population.

Georgia Opioid Crisis Abatement Trust

In 2022, Georgia secured \$638 million in settlements with major pharmaceutical entities and an additional \$13 million from McKinsey & Company to combat the opioid crisis. These Funds support strategic initiatives like expanding treatment options, increasing public awareness, and providing life-saving naloxone, overseen by the Georgia Opioid Settlement Advisory Commission. The Georgia Opioid Crisis Abatement Trust was created to receive and administer Georgia's share of funds from national settlements with opioid manufacturers and distributors. Funds held by the Trust will be used to support drug addiction prevention, treatment and recovery services.

Purpose Areas

GOCAT funds may be used by existing accountability court programs who will improve or enhance the following areas:

- Treatment Services
- Drug Testing
- Surveillance/Community Policing
- Case Management
- Accountability Court Staff Positions
