**JAY NEAL**  
DIRECTOR

## Minutes

Criminal Justice Coordinating Council  
Full Council Meeting  
Wednesday, April 30, 2025 | 2:00 P.M.  
The State Bar Office and by Remote Conferencing

### Attendees

The following members were present: Chairman Nancy Bills\*, Ms. Nikki Berger, Director Jerry Bruce, Mayor Kenneth Carson, Director Cynthia Clanton, Mr. Brian DiNapoli, Chief Denise Downer-McKinney, Ms. Sonja Fillingame, Sheriff Ron Freeman, Commissioner Scotty Hancock, Director Chris Harvey, Director Josh Lamb, Assistant Commissioner Scott Maurer, Judge Brian McDaniel, Mr. John Melvin, Commissioner Shawanda Reynolds-Cobb, Ms. Stacey Suber-Drake, Commissioner Kevin Tanner, and Mr. Joe Vignati.

The following Criminal Justice Coordinating Council (CJCC) staff members were present: Executive Director Jay Neal\*, Deputy Director Steven Hatfield\*, Madeline Lara\*, Christie LeCroy, Dannielle Lewis, Shanay Long, Stephanie Mikkelsen, Muretta Moss, Mia Smith\*, Laura Thompson\*, Robert Thornton\* and Ms. Natalie Williams.

The following guests were present: Elizabeth Crowder (Attorney General's Office), Hanna Davison, Taylor Jones (CACJ), Stephanie Hines, Kimberly Howard (CACJ), Gayla Nobles, Shanta Porter, Bernard Reynolds, and Melissa Tinsley Cates.

\*present in person

### Welcome and Call to Order, *Chairman Nancy Bills*

Chairman Bills called the meeting to order at 2:00 P.M. Ms. Madeline Lara called the roll, and a quorum was confirmed.

### Review of Minutes, *Chairman Nancy Bills*

Next, Chairman Bills called for a review of the minutes of the December 11, 2024 meeting. Ms. Berger made a motion to approve the minutes; Mr. Vignati seconded, and the motion carried without dissent.

### Victim Assistance Grants Committee, *Ms. Natalie Williams*

Chairman Bills recognized Ms. Natalie Williams for the purpose of presenting the Victim Assistance Grants committee recommendations of the Victim Assistance Division (VAD) collectively.

**SFY25 Family Violence Grant Program (State funds):**

Ms. Williams began by sharing that the purpose of the Family Violence State funds is to provide intervention services, awareness, and education to Georgia's citizens on domestic violence and sexual assault center prevention strategies that will change the attitudes of communities.

*Staff Recommendations:*

- 1) In an effort to be good stewards of resources and to meet the needs of Georgia's communities, staff recommends reallocating \$408,591 from deobligated funds to be spent prior to expiration on June 30, 2025. CJCC has worked to identify agencies with one-time cost needs based on monitoring and technical assistance visits (Promise Place, International Women's House, North Georgia Crisis Network, Gordon County Child Advocacy and Sexual Assault Center, Waycross FJC, and the Strangulation Pilot Project). CJCC requests to have the ability to reallocate available funds based on invoices submitted by the selected agencies cited above and their ability to spend the funding prior to June 30, 2025. Staff recommends that these additional awards support one-time costs for structural maintenance, equipment, and platform enhancements.

Ms. Williams noted that the recommendation is an updated total from what was approved by the Committee since additional deobligations occurred since the Committee met.

**FFY24 Victims of Crime Act (VOCA) Grant Program (Federal funds):**

Continuing, Ms. Williams reported that the purpose of the Victims of Crime Act funds is to provide direct intervention services, awareness, and education to Georgia's citizens on crimes prevention strategies that will change the attitudes of communities.

*Recommendations:*

- 1) Committee recommends awarding \$18,000 in VOCA funds to be awarded to Anna Crawford Children's Center to support the efforts of transitioning services to the newly formed Forsyth Child Advocacy Center. The funds awarded will support rental costs of a new physical location to deliver services within Forsyth County.
- 2) CJCC staff recommends awarding \$253,000 to the Apalachee resiliency center (the community recovery center that opened on Dec. 9<sup>th</sup> in response to the Apalachee High School shooting). The funds would cover rent, utilities, supplies and four positions ( those positions are the resiliency center director, mental health director, two navigators, and mental health contractors). CJCC will be fronting the cost to move forward with services. Funds will be reimbursed by the Anti-Terrorism Emergency Assistance Program that is supported by OVC. CJCC is committed to continued efforts to support victims, families, and the community that was impacted.

At the conclusion of Ms. William's report, Chairman Bills turned to the Council for any questions. Hearing none, Mayor Carson made a motion to accept the recommendations as presented. Mr. Melvin seconded the motion and it passed unanimously.

## **Victim Assistance Division Updates**

Lastly, Ms. Williams provided the following updates to the Committee:

### **SFY26 State Budget Update**

The General Assembly has appropriated additional funds that will be administered by the Victim Assistance Division. The additional funds included \$3.125M to support victim service providers due to the decline in VOCA funds, \$421k to support the adult human trafficking hotline, and \$400k to support the CSEC Receiving Hope Center. The General Assembly also held stable the additional Family Violence Grant Program that was appropriated in the SFY25 budget.

### **Federal Funds Update**

The Continuing Resolution (CR) that passed in mid-March 2025 allowed the cap on the amount available for distribution from the CVF to increase to \$1.9 billion (up from the \$1.353 billion in FY24), reflecting the higher available balance in the Fund. CJCC is projecting an estimated FFY25 award of \$43M. Based on our understanding of the CR language, we expect other formula funding sources to remain at consistent levels from FFY24. Based on the information, CJCC anticipates continuing grant awards at current levels for VOCA, VAWA, SASP and FVPSA.

### **Automated Victim Notification System – GA VINE**

- 56 agencies live.
- 18 agencies in process.
- Marketing materials received and being shipped to partners.
- Service Directory is in process and over 80 agencies have submitted their agency information and have been approved by CJCC.
- CJCC continues to provide updates to the Office for Planning and Budget, the legislature, the CDX board and stakeholders (i.e. Marsy's Law Advisory Group).

### **National Crime Victims' Rights Week 2025 (April 6- April 12)**

CJCC co-hosted two events with partner organizations in Gwinnett and Tift Counties in recognition of National Crime Victims' Rights Week and participated in the Office for Victim Services event. This year's theme is Kinship – Connecting and Healing. CJCC made awards to ten deserving honorees including advocates, survivors, government officials, legislators and corporations to be recognized for their outstanding commitment to victims of crime in Georgia.

### **Georgia Victim Assistance Academy Tier A (May 2025)**

CJCC will be hosting a Tier A Victim Assistance Academy in May 2025 in Savannah, GA. Applications are currently open for any interested advocates. [Georgia Victim Assistance Academy \(GVAA\) | Criminal Justice Coordinating Council](#).

At the conclusion of Ms. Carter's report, Mr. Hood was recognized and asked for clarity on the 56 "agencies" who have activated VINE. Ms. Carter explained that 56 counties are live through their jail systems. Director Skandalakis added that the hope is that after sheriffs' offices are integrated, that it can be expanded the service to prosecutors. Ms. Carter noted that there have been some sustainability concerns; however, CJCC is committed to seeing this process through and currently has

federal funding support to do so for the next few years. There being no further questions, Chairman Fillingame moved on to the next order of business.

There being no questions at the conclusion of the updates, Chairman Bills moved on to the next order of business.

Criminal Justice Grants Committee, Ms. Laura Thompson

---

Chairman Bills recognized Ms. Laura Thompson for the purpose of presenting the Criminal Justice Grants Committee recommendations collectively.

**Residential Substance Abuse Treatment Grant Program (RSAT)**

Ms. Thompson began by reporting that the Residential Substance Abuse Treatment for State Prisoners (RSAT) Formula Grant assists states and units of local government in developing and implementing residential substance abuse treatment programs. Each grantee is required to provide a 25% match on the approved grant award. CJCC intended to release an open competitive request for applications in January of 2025, however due to ongoing delays in the release of federal solicitations, CJCC has shifted focus to supporting current grantees with the hope of releasing the competitive application in the Fall of 2025. In an effort to ensure continuation funding for the Department of Juvenile Justice (DJJ), staff extended an invitation to apply to DJJ. In addition, to address gaps in aftercare services for returning citizens who have completed RSAT programming with the Georgia Department of Corrections (GDC), staff invited the Department of Community Supervision (DCS) to apply for RSAT funding to address those gaps. Currently, DCS is responsible for providing necessary case management and additional wraparound services to returning citizens post GDC release.

Applicant	Requested	Recommended	Notes
Department of Juvenile Justice	\$1,054,259	\$813,060	DJJ has requested funding to support the continuation and expansion of substance use treatment services. The request included an expansion of services to nine RYDC and increasing registration capacity and attendance for their Virtual Leadership Training.
Department of Community Supervision	\$998,710	\$499,355	DCS has requested funding to implement the Georgia RSAT Aftercare Continuum. The project will address several challenges experienced by individuals who graduate from GDC RSAT programs. The project aims to address housing instability and the need for wraparound support services to ensure a seamless transition from GDC custody to community members.

<b>TOTALS</b>	<b>\$2,052,969</b>	<b>\$1,312,415</b>	
---------------	--------------------	--------------------	--

**Committee Recommendation:** Allocate \$1,312,415 for the RSAT awards listed in the “Recommended” column in the chart above. Due to the uncertainty surrounding the release of FY25 funding from the federal government, recommend funding DJJ at a 25% increase from the previous funding allocation of \$650,448. Additionally, recommend a 50% funding level for the DCS pilot project. If approved, staff will encourage both agencies to apply for additional funding during the competitive release in Fall of 2025.

**Adult Treatment Court Discretionary Grant Program**

Next, Ms. Thompson reported that in Federal Fiscal Year 2023, CJCC received \$2.5 million in federal funding from the Bureau of Justice Assistance to support accountability court programs throughout the state. The purpose of the FY23 grant program is to provide funding to eligible accountability courts for the purpose of: 1) establishing and deploying a participant screening tool for all arrestees within local jails; 2) establishing a statewide language access protocol to ensure equitable access to services and materials for non-English and limited-English speaking participants; and 3) providing access to emergency and transitional housing for participants in need to address environmental and other risk factors limiting program participation across the state.

In June of 2024, the Council approved \$915,172 in funding to support housing needs. Staff subsequently released a request for application in January of 2025 to implement the participant screening tool as well as establishing language access projects. The solicitation closed on February 27<sup>th</sup>, 2025. CJCC received two applications for funding.

<b>Applicant</b>	<b>Requested</b>	<b>Recommended</b>	<b>Notes</b>
Hall County	\$94,646	\$94,646	Hall County requested funding to support the DUI Court in hiring a part-time bilingual case manager, a bilingual treatment provider, as well as translation of treatment materials.
Douglas County	\$50,000	\$50,000	Douglas County is requesting funds to support the Douglas Circuit Accountability Courts’ implementation of the participant screening tool to ensure all who are eligible for accountability courts are assessed and made aware of their options.
<b>TOTALS</b>	<b>\$144,646</b>	<b>\$144,646</b>	

**Committee Recommendation:** Approve the two awards for Hall County and Douglas County at the full request to total \$144,646. If approved, this will leave an unallocated balance of \$855,354. Staff will rerelease the solicitation in May of 2025 and present recommendations at the next committee meeting.

**Georgia Opioid Crisis Abatement Trust (GOCAT) Grant Program**

Continuing, Ms. Thompson shared that in May 2024, CJCC applied for the first round of funding related to the Opioid Settlement funds through the Georgia Opioid Crisis Abatement Trust. The request was made in partnership with the Council of Accountability Court Judges to seek funding to support accountability court operations to address the increase in court census. In March of 2025, CJCC was awarded a 2-year grant totaling \$3,306,864.

Per the special conditions of the grant contract, CJCC must seek Council approval prior to fully executing the award. A copy of the grant contract was provided for review. Staff is requesting approval to move forward with the final execution of the grant contract.

**Committee Recommendation:** Approval of the GOCAT contract to fund \$3,306,864 in grants to accountability courts.

**State Crisis Intervention Program**

Next, Ms. Thompson reported that the Byrne State Crisis Intervention Program (SCIP), authorized by the Bipartisan Safer Communities Act of 2022, provides formula funds to support gun violence reduction programs and initiatives. For FY 2022 – 2023, Georgia received a total award amount of \$7,488,436. Under the Specialized Court-Based Program category, program funds may be used by eligible accountability courts who, through the implementation and expansion of peer support programming, seek to expand their capacity to assist participants who may be most likely to become involved with violent crime. On February 14, 2025, CJCC released a second solicitation for funding under this category and received six applications in response; eligibility was limited to accountability courts that provide criminal justice and civil proceeding services for the “less than-\$10,000 jurisdictions” within Georgia. To qualify as a “less-than” jurisdiction, the court must provide services to a local government that was not eligible to receive a direct JAG award fund due to their small size in FY ’21-’22. The applications received under this solicitation, included below, have been reviewed by the Council of Accountability Court Judges’ Funding Committee and are now presented for the Council’s review and consideration.

<b>Applicant</b>	<b>Requested</b>	<b>Recommended</b>
Rome/Floyd County Drug Court	\$45,760	\$45,760
Rome/Floyd County Mental Health Court	\$18,564	\$18,564
Pataula Adult Felony Drug Court	\$67,003	\$65,034
Heard County Family Treatment Court	\$77,254	\$77,254
Troup County Drug Court	\$39,918	\$38,118
Camden County (Glynn BOC as fiscal agent)	\$141,599	\$70,800
Wayne County (Glynn BOC as fiscal agent)		\$70,799
<b>Totals</b>	<b>\$390,098</b>	<b>\$386,329</b>

**Staff Recommendation:** Following the Criminal Justice Grants Committee meeting, staff were informed by Glynn County that Appling County would be receiving funding to support peer support specialist programming under Glynn County’s opioid trust funding. Additionally, after further review, staff determined that Wayne County was not an eligible jurisdiction under the “less than \$10,000” category. Therefore, staff recommends funding Wayne County’s application under the general, behavioral health category. This is consistent with first round applications received

for counties that were not “less than \$10,000” jurisdictions. If approved, the remaining balance under this category would total \$496,617. Staff also recommend awarding funding for all other applications under the specialized court-based program category. If approved, the remaining category balance would be \$256,089. A summary of the award amounts and balances are listed in the attached materials.

**Juvenile Justice Division**

Next, Ms. Thompson reported that the Juvenile Justice State Advisory Group (SAG) met on April 2<sup>nd</sup>, 2025. Staff presented the SAG recommendations, and the CJ Grants Committee approved the following recommendations.

**FY25 Juvenile Justice Incentive Grant Program Deobligations and Reallocations**

The Juvenile Justice Incentive Grant Program (JJIG) funds effective community evidence-based programs as alternatives to out-of-home placements for juvenile offenders instead of commitment to the Department of Justice.

As of April 2<sup>nd</sup>, the total amount of state deobligations was \$476,688. To date, the Council approved a total of \$396,668 in reobligations. The total amount remaining of state deobligations is \$80,000. The SAG received the following request for additional funding:

Agency	Summary	Amount Requested	SAG Recommendation
Richmond County	Richmond County requested the remaining \$116,137 that was not awarded at the February 20, 2025 Executive Meeting. Richmond’s original request was \$289,395 from Richmond County to serve an additional 15 youth through MST, 12 youth through ART, and 8 youth through T4C. Additionally, these funds would cover educational support services.	\$116,137	\$80,000
<b>Total</b>		<b>\$116,137</b>	<b>\$80,000</b>

**Committee Recommendation:** Allocations listed in the above chart column “SAG Recommendation” for a total of \$80,000. If approved, there will be \$0 in unallocated state Juvenile Justice Incentive Grant Funds.

**Title II Grant Program**

Continuing, Ms. Thompson reported that CJCC serves as the administrator of federal Title II Grant Program which funds programs that supports Georgia’s 3-Year Juvenile Justice Plan.

**Special Projects**

The 3 Year Plan for Juvenile Justice Plan guides funding for Title II. One objective is to “Collaborate with other stakeholders and partners who have expertise in youth engagement and youth-adult partnerships to ensure that youth voices are elevated.” The SAG has allocated \$50,000 for positive youth development. The SAG received the following request:

Agency	Summary	Requested	SAG Recommendation
Guide, Inc.	GUIDE, Inc. proposes to partner with CJCC to create and execute technical assistance, training and other supports related to youth voice. This will include designing and development of the overall goals related to youth voice and the SAG, training for an advisory board and youth best practices, and coordination and management of materials needed to create Youth Subcommittee.	\$16,750	\$16,750

**Committee Recommendation:** Allocations as listed in the above chart column “SAG Recommendation” for a total of \$16,750. If approved, this would leave \$33,250 in unallocated funding.

### Juvenile Prevention and Intervention Grant

Lastly, Ms. Thomspson reported that the Juvenile Prevention and Intervention Grant funds programming to support violence reduction and mental health programming. As of April 2<sup>nd</sup>, the total amount of federal unallocated funding was \$336,344. The SAG received the following requests for additional funding:

Agency	Summary	Requested	SAG Recommendation
Newton County	Newton County is requesting additional funding due to a larger number of referrals than originally expected. The court projected to serve 50 youth and families; as of March 2025, the court has referred 58 youth for services. The funds will be used for the following: \$5,600.00 for 2 Teens in Action groups \$5,600.00 for 2 Active Parenting of Teens groups \$6,000.00 for 20 family assessments \$10,000.00 for Behavioral Aide/Individual therapy hours	\$27,000	\$27,000
Ser Familia	Ser Familia is requesting additional funding to due to a larger number of referrals than originally expected. These funds will ensure that an estimate an additional 11 youth complete their services.	\$4,000	\$4,000
Southwest Georgia Children’s Alliance	Southwest Georgia Children’s Alliance is requesting additional funding to fund increase percentage of two staff working on the grant to 40% including their travel.	\$53,760	\$53,760

Telfair County Schools	Telfair County Schools is requesting additional funding due to an increase a larger number of referrals than originally expected. Counselors have been providing 28 counseling sessions per week. Funding will be exhausted by April 18, 2025. The additional funds would allow for services to continue until the end of the school year, as well was the first 8 weeks of the new school year.	\$38,222	\$38,222
<b>Total</b>		<b>\$122,982</b>	<b>\$122,982</b>

**Committee Recommendation:** Allocations as listed in the above chart column “SAG Recommendation” for a total of \$122,982. If approved, this would leave \$213,362 in unallocated funding.

At the conclusion of Ms. Thompson’s report, Chairman Bills turned to the Council members for any questions. Hearing none, Mr. DiNapoli made a motion to accept the recommendations are presented. Mr. Vignati seconded the motion and it passed without dissent.

The following abstentions were made: Ms. Fillingame from the RSAT award, Commissioner Tanner from the RSAT and Opioid award, and Commissioner Reynolds-Cobb from any awards to the Department of Juvenile Justice.

**Executive Committee**

Fianally, Ms. Thompson reported that on February 20, 2025, the Executive Committee of the Criminal Justice Coordinating Council met to review an additional funding request for Byrne SCIP. The Committee approved an award to the Family Wellness Outreach Center of Georgia in the amount of \$115,293 to provide community-based, violence intervention services under the behavioral health category.

The Executive Committee also reviewed additional funding requests for the Juvenile Justice Incentive Grant Program. As of February 20<sup>th</sup>, there were \$396,668 in state funded de-obligations. The Executive Committee approved the following requests for additional funding.

Agency	Request	Amount Requested	Approved Funding
Bibb County	\$144,971	\$144,971	\$144,971
Coweta County	\$42,283	\$42,283	\$42,283
Dougherty County	\$48,324	\$36,156	\$36,156
Richmond County	\$289,395	\$173,258	\$173,258
<b>Total</b>	<b>\$524,972</b>	<b>\$396,668</b>	<b>\$396,668</b>

There being no questions at the conclusion of Ms. Thomspon’s report, Chairman Bills proceeded to the next order of business.

Nominating Committee, Chief of Staff Steven Hatfield

Next, Chairman Bills recognized Chief of Staff Steven Hatfield for the purpose of presenting the Nominating Committee recommendations.

As required by O.C.G.A. § 35-6A-4, the Nominating Committee elected a slate of officers to stand for election at the December 11, 2024 Full Council meeting. At the December 11, 2024, the Full Council elected Director Chris Stallings to serve as the 2025 Vice Chairman. Subsequent to the election, Director Stallings left his position at GEMA/HS and is no longer a member of the Criminal Justice Coordinating Council. As such, the Criminal Justice Coordinating Council (CJCC) Nominating Committee makes the following recommendation for the Council's consideration:

*2025 Vice Chairman – Regarding the position of Vice Chairman of the Council, CJCC staff recommends Mr. Joe Vignati to succeed current Vice Chairman, Director Chris Stallings.*

At the conclusion of Mr. Hatfield report, Chairman Bills turned to the Council for any questions. Hearing none, Mr. Joe Hood made a motion to accept the recommendation as presented. Commissioner Reynolds-Cobb seconded the motion and it passed unanimously. Mr. Joe Vignati abstained due to being the subject of the vote.

Old/New Business, Chairman Nancy Bills

Next, Chairman Bills asked if there was any old or new business to be discussed by the Council. Chairman Bills recognized Mr. Robert Thornton to present new business to the Council.

Mr. Thornton reported that the Victims Assistance Division is currently implementing the VINE victim notification system and there are some additional costs on implementation that are not contemplated by the current contract. These expenses are third-party integration fees that are imposed when Appriss integrates with a jail's current management system. CJCC has unallocated funds from the Byrne JAG 2021 and 2022 that are about to expire, and staff is seeking Council approval to allocate these expiring funds in the amount of approximately \$300,000 to cover the third-party integration fees.

At the conclusion of Mr. Thornton's report, Chairman Bills turned to the Council for questions. Hearing none, Commissioner Tanner was recognized for the purpose of making a motion. He moved to accept the recommendation as presented. Ms. Fillingame seconded the motion and it passed unanimously.

Closing Remarks and Adjournment, Chairman Nancy Bills

Director Neal thanked Council members for their dedication to the work of the Council despite their busy schedules. Chairman Bills thanked the staff for their work. There being no further comments, the meeting was adjourned at 2:26 P.M.

Approval

Joe Vignati  
Vice Chairman Joe Vignati
