# CJCC | Local Victim Assistance Fines Annual Agency and Recertification Report

- This PowerPoint serves as a guide to the Local Victim Assistance Fines Annual Agency and Recertification Report. This report **MUST** be completed by any agency that wishes to apply for CJCC funding (i.e. VOCA, VAWA, etc.) and/or receive Local Victim Assistance Funds (5% Fines) from local counties.
- If you have already received victim assistance funding from CJCC you **MUST** complete this report as a grant requirement
- **Currently certified agencies will remain in good standing through April 20<sup>th</sup>, 2022**
- Agency certification occurs on a rolling basis. If you are new to certification, no matter what year, you will need to fill this out. If you are already a certified agency, you will complete this report on **even** numbered years. On **odd** numbered years, certified agencies will receive an e-mail to complete the annual agency report, which is just the first portion of this report.
- Currently certified agencies will remain in good standing through April 20<sup>th</sup>, 2022
- This report includes two parts:
  - 1) To report how much, if any, Local Victim Assistance Funds (5% Fines) an agency received in the previous calendar year and the usage of those funds. Slides 3-12 are the first portion of this report.
  - 2) To apply for certification (for new agencies) or recertification (for current certified agencies). Slides 13-29 are the second portion of this report.
- If you are a new agency that wants to become certified AND did **not** receive any 5% fines in the last calendar year, you can skip the first portion and go straight to the second portion. If, for some reason, an agency is not certified and receives 5% fines from a county, the agency **must** complete both portions of the report.
- Slide three includes directions on how to proceed directly to the second portion. Slides numbers are identified in the bottom right of this document

**Local Victim Assistance Fines (5% Funds) Annual Agency and Recertification Report**

0%

Thank you for applying to become a certified victim assistance agency eligible to receive victim services funding (VOCA, VAWA, SASP, 5% Funds, etc.). All agencies receiving victim services funding from the Criminal Justice Coordinating Council must remain an active certified agency.

Since this is a recertification year, we have consolidated the annual certified agency report for 5% funds with the application for agency recertification.

The first part of this report should be filled out by any agency that received five percents funds during the 2019 calendar year (January 1, 2019- December 31, 2019).

If your agency did not receive **any** five percent funds, the only requirement for this report is the agency certification. **To skip the five percent report and go directly to the agency certification, please answer "No" to the question titled "Is your agency currently certified to receive Local Victim Assistance Program (5%) funds?"**

If you have questions or concerns about the information in this report or the application, please contact:

Kyra Jones at [kyra.jones@cjcc.ga.gov](mailto:kyra.jones@cjcc.ga.gov) or

Please enter the name of the Executive Director of your victim assistance agency/program in the space provided. By entering this information you are agreeing to the following statements.

I affirm that our agency regularly provides victims of violent crime with information about and assistance applying to the State of Georgia Crime Victim Compensation Program. I further affirm that we have qualified staff - as required in this application - to provide direct services to crime victims. Finally, I understand that Local Victim Assistance Funds are to *provide direct services* to victims as stipulated in CJCC's Local Victim Assistance Program Guidelines. I affirm that my agency will not use funds for any purpose other than providing direct victim assistance.

Please enter your PIN (same as your password).
