

# GEORGIA CRIME VICTIMS COMPENSATION PROGRAM

CRIMINAL JUSTICE COORDINATING COUNCIL

## Forensic Medical Examination Fee Schedule

The fee schedule below reflects the maximum allowable cost for each service and/or procedure related to a forensic medical examination for sexual assault victims. The actual amount paid will be determined by the description in the itemized statement/bill in conjunction with the associated Current Procedure Terminology (CPT) Code, and/or the Revenue Code, as applicable. **Please Note:** The expectation is that the Georgia Crime Victims Compensation Program (CVCP) will be billed the usual and customary fees. Any additional services, procedures, or medications not listed below, but directly related to the forensic medical examination, may be submitted to CVCP for review. The total cost shall not exceed \$1,000 per victim, per victimization.
