THIS IS A FEDERAL GRANT SUBJECT TO FEDERAL RULES AND REGULATIONS

FY2019 Adult Drug Court Discretionary Grant Program

Competitive MAT Program Request for Applications

SECTION I: OVERVIEW AND INSTRUCTIONS

The Adult Drug Court Discretionary Grant Program

The Adult Drug Court Discretionary Grant Program provides financial and technical assistance to states, state courts, local courts, units of local government, and federally recognized Indian tribal governments to develop and implement drug courts and veterans treatment courts.

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-four members representing various components of the criminal justice system.

Overview of the State of Georgia's Accountability Court Funding Program

The Council of Accountability Court of Judge (CACJ) was created in 2015 by the Georgia Legislature and by Governor Nathan Deal to provide courts with the critical funding necessary to support the growth of Accountability Courts in Georgia to reduce the prison population.

Overview of Medication Assisted Treatment (MAT)

Medication Assisted Treatment (MAT) is a form of pharmacotherapy and refers to any treatment for a substance use disorder that includes a pharmacological intervention as part of a comprehensive substance abuse treatment plan with an ultimate goal of patient recovery with full social function. MAT is the use of medication, in combination with counseling and behavioral therapies, to provide a whole-patient approach to the treatment of substance use disorders. Research shows that when treating substance-use disorders, a combination of medication and behavioral therapies is most successful.

Existing Courts

Existing court programs applying for continuation funding grant requests will be prioritized. Requests for additional continuation funding must show the court's ability to increase or improve the quality, value or extent of the current operations.

How to Apply

Interested applicants should review the MAT Solicitation Packet in its entirety, and submit the completed application, including the requested information and all required attachments, using the link on the website at cjcc.georgia.gov on or before 5 p.m., Friday, April 1, 2022. **This form and provided budget detail are the only acceptable formats for submitting the narratives and budget for the funding year. It is recommended that applicants allow adequate time to complete the application. Applications must be submitted using the required format; scanned or handwritten copies of the application will not be accepted.** Any application that does not adequately answer all applicable questions will be considered incomplete and will not be reviewed for funding.

Match Requirement (25% Match)

There is a 25 percent match requirement for this grant award that will be satisfied using the salary for the either the Project Director or Case Manager paid by the court's CACJ State funded Accountability Court grant award. Please note that when drafting the agency's application budget, the applicant should not account for the Match amount as it will be added to the final grant award if chosen for funding.

SECTION II: APPLICATION PROCESS

Application Review

Applications will be reviewed and assessed by CJCC and the CACJ Funding Committee and its designated representatives who will consider the following:

1. Overall quality and completeness of the application;
2. Demonstration of clear, measurable and appropriate standards;
3. Demonstration of need including geographic location, local demographics, local statistics, other financial resources, etc.;
4. Adequate correlation between the cost of the project and the objective(s) to be achieved;
5. Valid contract or agreement with medical provider (for existing MAT programs);
6. Sharing resources among each accountability court within the circuit is strongly encouraged. All applications within each circuit will be reviewed together; and
7. Compliance with Certification Requirements.

Only complete applications received by the deadline will be reviewed. **When an application is received by CJCC, there is no commitment on the part of CJCC to fund an application or to fund it at the amount requested.** All areas of the budget are subject to review and approval. Decisions related to these budget areas are based on both eligibility and reasonableness. CJCC has full discretion to determine the reasonableness of budget items based on both objective and subjective decision-making tools. See "Restrictions on Use of Funds" subsection below to determine whether budget items requested are allowable prior to submitting your budget.

Applications for funding will undergo several reviews. At any point during these reviews, a decision not to fund a project or any part thereof may be made. These decisions are within the complete discretion of CJCC.

Competitive Funding Decisions

All funding decisions related to the program application received in response to this solicitation are made by CJCC and based on the availability of funding and recommendations of the CACJ Funding Committee to CJCC's Board. CJCC will inform the applicant of funding decisions through a grant award. Applicants should not make assumptions regarding funding decisions

until they have received official written notification of award or denial signed by CJCC Director. Applicants can appeal the initial funding decision but must do so within fifteen (15) business days of the date on the denial notice.

Once an award is made, it is within the discretion of CJCC to determine that a subgrantee is not compliant with applicable policies. Upon such a determination, CJCC may terminate further funding and require reimbursement of grant funds.

Use of Funds

For the purpose of this grant, funds can be used to enhance or expand treatment service systems to increase access to MAT services that are accessible, effective, comprehensive, and evidence-based. **In accordance with federal grant requirements, subgrantees may not restrict the use of methadone and buprenorphine treatments, if prescribed by a qualified medical provider.**

Restriction of Funds

Grant funds will not be allowed to be used for: state training, salary, office space, utilities, furniture, incentives, monthly cell phone charges, the purchase of vehicles, weapons, overall agency supplies, construction projects and grant administrative overhead.

Supplantation

Funds must be used to supplement existing funds for program activities and cannot replace or supplant nonfederal funds that have been appropriated for the same purpose.

SECTION III: POST-AWARD REQUIREMENTS

Grant Acceptance

Subgrantees must accept or reject the grant award with original signatures and required forms within forty-five (45) days of the award date. The subgrantee will be unable to request funds until the award documents are returned to CJCC's office.

Special Conditions

At the time of the subgrant award, CJCC will assign special conditions as CJCC deems appropriate for the program. The special conditions will outline the subgrantee's responsibilities, as well as federal and state regulations that must be adhered to, as a condition of accepting the grant award for the approved program. The special conditions will be included in the award packet and must be reviewed, signed, and returned to CJCC within **forty-five (45) days** of the award date.

CJCC will assume your court rejects the grant award if these acceptance documents are not received by this submission deadline.

This is a federal reimbursement grant. Potential subgrantees are expected to abide by federal rules and regulations.

Fiscal Accountability

Commingling of funds on either a program-by-program or project-by-project basis is prohibited. The subgrantee's accounting system must maintain a clear audit trail for each source of funding for each fiscal budget period and include the following:

- Separate accountability of receipts, expenditures, disbursements, and balances. CJCC recommends creating an account in your accounting system for each grant using the grant number provided by CJCC.
- Itemized records supporting all grant expenditures in sufficient detail to show exact nature of activity.
- Data and information for each expenditure with proper reference to a supporting voucher or bill properly approved.
- Maintenance of billing records for project related expenses (i.e. medical bills)
- Provisions for payment by check (as applicable).

Performance Measures and Reporting Requirements

Performance measurement can be defined as the process of routinely measuring the outputs and outcomes produced by a program, thereby allowing one to assess the effectiveness of program investments and activities. It has been found that measuring performance builds consensus and commitment within the justice community, assists with the goal of obtaining and allocating resources, demonstrates success, and improves accountability.

The Bureau of Justice Assistance (BJA), Office of Justice Programs, the federal entity that administers the Adult Discretionary program, has developed performance measures for all funded program types. As such, CJCC requires that all funded subgrantees complete a quarterly statistical report using BJA's Performance Measurement Tool (PMT). The PMT will ultimately help states produce evidence-based guidance on monitoring and evaluating all programs.

PMT reporting is completed based on grant-funded activities and due on the following dates:

Reporting Period	Due Date
July 1 – September 30	October 10
October 1 – December 31	January 10
January 1 – March 31	April 10
April 1 – June 30	July 10

Submission of performance measures data is not required for the application.
