Victims of Crime Act (VOCA) Grant Program 2019 Continuation Request for Applications

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (CJCC) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-seven members representing various components of the criminal justice system. CJCC is charged with fiscal and programmatic oversight of the Victims of Crime Act (VOCA) Grant Programs.

CJCC is soliciting applications for the VOCA Grant Program. Agencies must submit an application to be considered for funding. Agencies are encouraged to read this entire RFA thoroughly before preparing and submitting their grant application. This application is open to all agencies meeting eligibility guidelines for the VOCA Grant Program.

Overview

The VOCA Formula Grant Program, created under the 1984 Victims of Crime Act, provides federal funding to support victim assistance and compensation programs, to provide training for diverse professionals who work with victims, to develop projects to enhance victims' rights and services, and to undertake public education and awareness activities on behalf of crime victims. The Office for Victims of Crime (OVC) was created by the U.S. Department of Justice and formally established by Congress in 1988 through an amendment to the Victims of Crime Act of 1984 (VOCA). OVC provides federal funds to support victim assistance and compensation programs around the country. The Crime Victims' Fund is the source of funding for these programs. Millions of dollars are deposited into the Crime Victims' Fund annually from criminal fines, forfeited bail bonds, penalties, and special assessments collected by U.S. Attorneys' Offices, federal U.S. courts, and the Federal Bureau of Prisons. To date, Crime Victims' Fund dollars have always come from offenders convicted of federal crimes, not from taxpayers.

According to the 2016 VOCA Program Rules, direct services or services to victims of crime are defined as those efforts that (1) respond to the emotional, psychological, and physical needs of crime victims, (2) assist victims to stabilize their lives after victimization, (3) assist victims to understand and participate in the criminal justice system, or (4) restore a measure of safety and security for the victim. For the purpose of the VOCA crime victim assistance grant program, a victim of crime is a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime. **Generally, funding cannot be used for the investigation of crimes or collection of evidence to further the prosecution of crimes.**

States have sole discretion to determine which organizations will receive funds, and in what amounts, as long as the subgrantees meet the requirements of VOCA and the Program Guidelines. In addition to organizing and overseeing the distribution of funds, CJCC monitors subgrantees' fiscal and program performance and submits required progress reports to OVC.

Under the VOCA Program Guidelines and Rules, priority is given to programs serving victims of sexual assault, child abuse, and domestic violence. At least 30% of each year's formula grant must be allocated to sexual assault, child abuse, and domestic violence services; 10% for each category. An additional 10% must also be allocated to victims of violent or property crime who are "previously underserved," which indicates that the particular victim population historically or currently has not had access to or been provided with specialized or adequate services. OVC includes groups as underserved or unserved when their access to services is limited by factors such as language barriers, economic limitations, disabilities, or location. Groups of victims who fall into this category may be identified by the type of crime they experience, characteristics of the victim, or both. Victims may also differ between jurisdictions. Examples include, but are not limited to: DUI/DWI victims, survivors of homicide victims, American Indian/Alaska Native victims in certain jurisdictions with insufficient victim service resources, victims of physical assault, adults molested as children, victims of elder abuse, victims of hate and bias crime, victims of kidnapping, child victims and adult survivors of child pornography, child victims of sex trafficking, victims of violent crime in high crime areas, LGBTQ victims, victims of federal crimes, victims of robbery, and victims of gang violence.

I. Eligibility

Applicants are limited to organizations that provide services to crime victims and are operated by a public agency, a nonprofit organization, or a combination of such agencies or organizations within the State of Georgia. Service provision must be available to crime victims regardless of victims' participation in the criminal justice system and immigration status. **Please note that the Criminal Justice Coordinating Council has approved individual allocation amounts for this solicitation (please see the Appendix B). Any award made pursuant to this solicitation is dependent upon the receipt and availability of federal grant awards and any requirements or conditions attached thereto.**

Eligible organizations include victim services organizations whose sole mission is to provide services to crime victims. These organizations include but are not limited to: sexual assault and rape treatment centers, domestic violence programs and shelters, child abuse programs, centers for missing children, mental health services, and other community-based victim coalitions and support organizations. **Note:** Commonly funded [agency/program types and core services](#) defined by CJCC are not exhaustive of every type of agency in the state serving crime victims. Certified [domestic violence](#) and [sexual assault](#) centers must also comply with their respective state standards.

An eligible applicant must meet all of the following criteria:

1. Be a non-profit organization as designated by the Internal Revenue Service or a public government entity,
2. Serve as the fiscal agent for the grant and the point of contact to CJCC, and
3. Be responsible, liable, and oversee financial, program, and post-award reporting requirements.

In addition to victim service organizations whose sole purpose is to serve crime victims, many other public and non-profit organizations have components which offer services directly to crime victims. These organizations are eligible to receive VOCA funds if the funds are used to continue, expand, or enhance the delivery of services to crime victims. These organizations include, but are not limited to, the following:

- **Criminal Justice Agencies** – Law enforcement agencies, prosecutors’ offices, courts, corrections departments, and probation and paroling authorities are eligible to receive VOCA funds to help pay for direct victims’ services.
- **Religiously-Affiliated Organizations** – Organizations receiving VOCA funds must ensure that direct services are offered to all crime victims without regard to religious affiliation and that the receipt of services is not contingent upon participation in a religious activity or event. Faith-based and community organizations will be considered for awards as are other eligible applicants, and if they receive assistance, awards will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant or grantee will be discriminated against on the basis of its religious character or affiliation, or religious name. Faith-based and community organizations are required to abide by the same regulations and requirements specifically associated with the program under which they are awarded a grant, as any other agency awarded funding.
- **Hospitals and Emergency Medical Facilities** - Organizations must offer crisis counseling, support groups, and/or other types of direct victim services.
- **Others** – State and local public agencies such as mental health service organizations, state and/or local public child and adult protective services, state grantees, legal service agencies and programs with a demonstrated history of advocacy on behalf of domestic violence victims, and public housing authorities that have components specifically trained to directly serve crime victims.

a. Additional Specific Eligibility Requirements

VOCA established eligibility criteria must be met by all organizations that receive VOCA funds. These funds are to be awarded to applicants only for providing services directly to victims of crime through their staff. Each applicant organization shall meet the following requirements:

- **Public or non-profit organization** – To be eligible to receive VOCA funds, organizations must be operated by a public or private non-profit organization, or a combination of such organizations, and provide services directly to crime victims.
- **Mandated Use of Volunteers** – Programs must use volunteers in order to be eligible for VOCA funds.
- **Provide match** – All VOCA program recipients must contribute to the total cost of their VOCA-funded project by providing at least a 20% cash or in-kind match from non-federal sources to the federal amount awarded. This requirement applies to neither federally recognized tribes or projects conducted on tribal land nor U.S. territories excluding Puerto Rico. Waivers may be available for a portion of the match requirement. Please see pages 11-12 for additional information on match requirements.
- **Record of effective services** – An agency must demonstrate a record of providing effective services to victims of crime. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and a breadth or depth of financial support from other sources. For a glossary of terms and services, please refer to the [Victim Service Statistical Report \(VSSR\) Subgrantee Guide](#) on CICC’s website.
- **Diverse Funding Sources for New Programs** – Those programs that have not yet demonstrated a record of providing services may be eligible to receive VOCA funding if they can demonstrate that at least 25% of their financial support comes from non-federal sources in the year of or the year preceding the award. Generally, organizations should have a variety of funding sources besides federal funding in order to ensure their financial stability.
- **Promote community efforts to aid crime victims**– An agency must promote community-based coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on federal, state, local, tribal work groups, Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams to oversee and recommend improvements to community responses to crime victims and developing written agreements and protocols for such responses. Coordination efforts qualify an organization to receive VOCA victim assistance funds but are not activities that can be supported with VOCA funds since “coordination” itself is not a service provided directly to victims.
- **Assistance to victims in applying for compensation** – Agencies must assist potential recipients of crime victim compensation benefits (including potential recipients who are victims of federal crime) in applying for such benefits including, but not limited to: referring such potential recipients to an organization that can so assist, identifying crime victims and advising them of the availability of such benefits, assisting such potential recipients with application forms and procedures, obtaining necessary documentation, monitoring claim status, and intervening on behalf of such potential recipients with the crime victims’ compensation program.

- **Comply with federal rules regulating grants** – Applicants must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the [Office of Justice Programs \(OJP\) Financial Guide](#), effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. Other requirements are also outlined in the special conditions to the subgrant award. This includes financial documentation for disbursements, daily time and attendance records specifying time devoted to allowable VOCA victim services, client files, the portion of the project supplied by other sources of revenue, job descriptions, contracts for service, and other records which facilitate an effective audit.
- **Comply with CJCC grant requirements** – Agencies must adhere to financial and programmatic guidelines, comply with deadlines, and provide all information to CJCC and/or other state/federal agencies as requested in a timely manner, including: Office of the Inspector General, Georgia Department of Audits and Accounts, and Department of Justice.
- **Services to victims of federal crimes** – Applicants must provide services to victims of federal crimes on the same basis as victims of state and/or local crimes.
- **Promote victim safety** – CJCC prohibits activities that compromise victim safety, such as requiring victims to meet with offenders.
- **No charges to victims for VOCA-funded services** – Applicants must provide direct services to crime victims at no charge if served through the VOCA-funded project unless CJCC approves a waiver allowing the applicant to generate program income by charging for services.
- **Maintain confidentiality** – Eligible agencies must have policies and procedures in place that safeguard the confidentiality of all victim records, contact information, personal identifying information, and other sensitive information. These measures must be consistent with applicable with federal, state, and local laws regarding privacy and confidentiality. Policies and procedures must allow for information sharing of certain non-personally identifying data and court, law enforcement, and prosecution-generated information in certain circumstances.
- **5% Local Victim Assistance Program (LVAP) Certification and Eligibility** – Applicant agencies should be certified and eligible to receive 5% funds. Agencies without certification may apply for funding; however, if funding is awarded the agency must [complete certification](#) requirements prior to drawing down funds.

b. Purpose & Priority Areas

Through subgrants, CJCC will make awards to continue, expand, or enhance services for victims of crime. These awards will also provide funding to reach and serve more crime victims and address gaps affecting victims of crime.

OVC requires states to dedicate 10% of VOCA funds to each of the following federally mandated priority areas: sexual assault, child abuse, domestic violence, and previously underserved communities. The remaining 60% will be used at the discretion of the state to support any of the aforementioned areas as well as other programs. Other programs could include, but not be limited to, non-traditional, innovative approaches to victim service delivery that aim to provide direct services to primary and secondary victims of crime.

Please see Appendix A for a detailed list of allowable/unallowable activities. This should be used as a guide when planning for your application. Although this is a list of allowable activities, please note that based on funding priorities, some activities may not be funded.

II. Grant Award Agreement

Grant Award Period: This grant award period covers October 1, 2019 through September 30, 2020.

The funding source is the Victims of Crime Act Grant Program. If the funds appropriated are reduced or eliminated by OVC, CJCC may immediately terminate or reduce the grant award by written notice to the grantee. Termination or reduction will not apply to allowable costs already incurred by the grantee to the extent that funds are available for payment of such costs.

Modification of Funds: CJCC reserves the right to make changes to the application budget at the time of the grant award and will communicate any changes to the applicant. CJCC may negotiate all or part of any proposed budget after awarding the award agreement due to funding or program requirements provisions.

III. Reporting Requirements

CJCC requires that subgrantees comply with and fully participate in the financial, programmatic, and evaluation reporting requirements for this grant program. CJCC staff provides training and technical assistance to assist subgrantees in accurate data collection and reporting. Assistance may be requested by contacting the grant specialist assigned once approved and awarded.

Failure to submit any required reports by the deadline specified may significantly delay any and all subgrant expenditure reimbursements (SERs) submitted relative to the grant period. Repeated or continued delays may result in a staff recommendation requesting a reduction to the overall grant award for noncompliant agencies.

Financial Reporting Requirements

Monthly or Quarterly Subgrant Expenditure Requests: Upon accepting the award, each agency is required to submit Monthly or Quarterly SERs to CJCC. Monthly SERs are due on the 15th day of the month immediately following the month in which expenses were incurred; i.e., an SER for expenses incurred in July is due by August 15th. Quarterly SERs are due on the following dates for the corresponding financial reporting periods:

Quarterly Subgrant Expenditure Reports (SERS)

<i>FINANCIAL REPORTING PERIOD</i>	<i>DUE DATES</i>
October 1 – December 31	January 30 th
January 1 – March 31	April 30 th
April 1 – June 30	July 30 th
July 1 – September 30	October 30 th

Failure to submit this financial report in a timely manner will significantly delay any SERs submitted within the grant period. Continued delays will result in a staff recommendation to reduce noncompliant agencies' award amounts. The subgrantees are required to maintain expenditure documentation such as signed timesheets, equipment purchases, travel logs, supply purchases, inventory records, and consultant contracts. This documentation may be requested at any time. Subgrantees must attend any scheduled grant management workshop (if required), mandatory meetings, or required trainings prior to the release of grant funds.

Program Reporting Requirements

Data submitted through the Victim Services Statistical Report (VSSR) will be prorated to accurately reflect the use of VOCA funds. Subgrantees are expected to establish data collection and reporting systems to provide CJCC with accurate data by each quarterly deadline. Outcome performance measure (OPM) data is reported regardless of funding source and therefore does not require proration.

Quarterly Progress Reports: All VOCA grant subgrantees will be required to submit reports on their program outputs supported by VOCA funding on a quarterly basis. VOCA victim service programs must complete the VSSR which details the number of victims (new and existing) served by type victimization and number of services delivered by type of service. VOCA victim-service subgrantees must collect data according to the categories of the VSSR. Victimization and service definitions are provided in the [2018 Victim Service Statistical Report Subgrantee Guide](#) as posted on CJCC's website. Statistical reports are due 20 days following the end of the quarter. These reports are processed through the Statistical Analysis Center (SAC). Agencies who are late with this report may experience a delay in processing reimbursement reports.

VSSR Quarterly Progress Reports

<i>Quarter</i>	<i>VSSR REPORTING PERIOD</i>	<i>DUE DATES</i>
1	October 1 – December 31	January 20 th
2	January 1 – March 31	April 20 th
3	April 1 – June 30	July 20 th
4	July 1 – September 30	October 20 th

All statistical reports must be submitted electronically using a CJCC-approved online reporting tool or data management system. Subgrantees will receive the link for the reporting tool along with a permanent username and password to complete their reports along with an assigned permanent username and password to complete their reports. The link to submit these reports will be activated at the beginning of the reporting period and shut down on the last day of the reporting period.

VOCA subgrantees are also required to complete narrative questions via the VSSR as part of the last quarter report. These questions are open-ended questions about agency issues, concerns, and success stories as well as service delivery obstacles and achievements.

Annual Outcome Performance Report: All VOCA grant subgrantees must use the survey instruments on the CJCC’s website to submit reports on their program outcomes. The instruments are categorized by the type of victims an agency serves. VOCA subgrantees must follow the updated version of the [Outcome Performance Measurement Guide](#). The [surveys](#) are available on the CJCC website, along with Excel spreadsheets to compile and aggregate data from individual clients.

Outcome performance data is reported once per year. The outcome survey should be provided to all clients, regardless of whether their services were supported by VOCA funding. The sole outcome performance reporting date for ALL victim services subgrantees is as follows:

<i>OUTCOME PERFORMANCE MEASURES</i>	
Reporting Period	Due Date
October 1 – September 30	October 30

Post-Award Requirements

1. **Grant Management Workshop** – If an applicant is awarded a grant, the subgrantee may be required to attend a CJCC grant management workshop at a time to be announced.

2. **Compliance Monitoring** - CJCC staff may conduct visits or desk reviews during the grant period. Additional monitoring activities may also be conducted during the grant year. Site visits and desk reviews will be scheduled with the grantee in advance. Site visits and desk reviews will be conducted to monitor the program for implementation and to view program documentation.
3. **Additional Training, Technical Assistance, and Events** - CJCC may offer several non-mandatory, post-award training and technical assistance opportunities and special events. Grantees will be informed of events via e-mail, and the events will be posted on the CJCC website. CJCC staff also will give ongoing, individual technical assistance, and other support activities to subgrantees as needed or requested throughout the year. **CJCC requests that an Executive Director attend at least two quarterly grantee meetings per year where applicable.**

IV. Award Requirements

If an applicant agency is approved for a federal award, then the agency is expected to meet certain requirements. Various requirements can be met with proper documentation available upon request and many are time-sensitive. All subgrantees are required to be in compliance with these requirements and it is the responsibility of the agency to become acquainted with such requirements.

Program Match Requirement

The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. Matching contributions of 20% (cash or in-kind) of the total costs of each VOCA project (VOCA grant funds plus match) are required and must be derived from non-federal sources. *All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period.* Match must be provided on a project-by-project basis. Please see the budget section for the formula used to calculate match relative to the project's total budget.

For the purpose of this program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, work space, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the applicant's organization. If the required skills are not found in the applicant's organization, the rate of compensation must be consistent with the labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of

donated space may not exceed the fair rental value of comparable space established by an independent appraisal of comparable space and facilities in privately owned buildings in the same locality.

Subgrantees must maintain records that clearly show the source, amount, and period during which the match was allocated. The basis for determining the value of materials, equipment, and space must be documented. Volunteer services used as match must be documented and supported by the same methods used for VOCA funded employees.

All matching contributions must be:

- Verifiable from the subgrantee's records
- Not included as a contribution for any other Federal Funds
- Necessary and reasonable to accomplish the project's goals
- Allowable charges
- Not paid by the applicant from Federal or State funds received under another assistance agreement
- Included in the budget approved by CJCC
- In accordance with all other Federal and State requirements

OVC Hardship Match Waivers

If an agency would like to request a hardship match waiver, the agency must complete the online request form. A link to the online request form will be made provided with the award packet. The match waiver request form will require following:

- A brief description of the agency and the VOCA-funded project
- A brief explanation of why the full match amount is a hardship for the agency
- A summary of the agency's non-federal funding sources; providing an explanation of the agency's inability to use these non-federal funding sources to meet the full match requirement
- Indicate how much match the agency will be able to provide
- Any other important information deemed necessary by the requesting agency

CJCC staff will review the waiver request to determine eligibility. Please note, should the proposed project budget be increased or decreased during the approval process, the agency will be required to submit an updated Match Waiver Request form.

Volunteers

Applicant organizations must use volunteers unless CJCC determines there is a compelling reason to waive this requirement. A "compelling reason" may be a statutory or contractual

provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort. **Note:** Although CJCC no longer requires agencies to submit a minimum level of volunteers as match, applicant organizations must use volunteers to be eligible for VOCA funds. In addition, CJCC encourages agencies to utilize volunteers to the greatest extent possible.

Religion

Grantee programs may not promote, discuss, or teach religion. Program activities and services are required to be accessible to any interested participant, regardless of religious affiliation.

Criminal Background Checks

All subgrantees must conduct a state or national criminal background check on all direct service and outreach personnel who have contact with victims and their children once every three years. Agencies must use Cogent Systems, Georgia Applicant Processing Services or Federal Bureau of Investigation Departmental Order to conduct a state or national background check on all direct service shelter and outreach staff every three years.

Internet Security Policy

CJCC requires all subgrantees to establish and enforce an Internet Security Policy when participants, volunteers, and/or staff have access (supervised or unsupervised) to protect the confidentiality, integrity, and availability of data while preventing malicious and other security threats. This includes any technology provided by CJCC funding and technology utilized by participants during a CJCC funded program component.

Comply with CJCC Grant Requirements

Agencies must adhere to financial and programmatic guidelines, comply with deadlines, and provide all information to CJCC as requested in a timely manner.

Fiscal Accountability

Commingling of funds on either a program-by-program or project-by-project basis is prohibited.

The subgrantee's accounting system must maintain a clear audit trail for each source of funding for each fiscal budget period and include the following:

- Separate accountability of receipts, expenditures, disbursements and balances. CJCC recommends creating an account in the accounting system for each grant using the grant number provided by CJCC.
- Itemized records supporting all grant receipts, expenditures, and match contributions in sufficient detail to show exact nature of activity.
- Data and information for each expenditure and match contribution with proper reference to a supporting voucher or bill properly approved.
- Hourly timesheets describing work activity, signed by the employee and supervisor, to document hours personnel worked on grant related activities. Match hours must be documented in same manner.

- Maintenance of payroll authorizations and vouchers.
- Maintenance of records supporting charges for fringe benefits.
- Maintenance of inventory records for equipment purchased, rented, and donated.
- Maintenance of billing records for consumable supplies (i.e., paper, printing) purchased.
- Provisions for payment by check.
- Maintenance of travel records (i.e., mileage logs, gas receipts).
- Lease agreements, contracted services, and equipment purchases that adhere to established procurement processes.

Office of Civil Rights

Pursuant to 28 C.F.R. Section 42.302, all subgrantees of federal funds must be in compliance with [Equal Employment Opportunity Plan](#) (EEO) and Civil Rights requirements. All programs that receive VOCA funds or are subawarded VOCA funds via program agreements are required to be familiar with and comply with all relevant federal civil rights requirements, and to that end are required to participate in the designated training once per grant period. If there is a violation it may result in suspension or termination of funding until such time as the subgrantee is in compliance. Information on the required **annual** OJP Civil Rights trainings can be found at the link below.

[Office for Civil Rights – Training for Grantees](#)

Nondiscrimination

Federal laws prohibit subgrantees of financial assistance from discriminating on the basis of race, color, religion, national origin, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Subgrantees must maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by CJCC. Compliance with guidance as may be issued from time to time by the Office for Civil Rights and CJCC is required per 28 C.F.R. part 42.

Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, subgrantees of federal assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency. For more information, access <http://www.lep.gov>. CJCC requires subgrantees to have written LEP plans that outline their policies and procedures for ensuring victims have access to necessary forms of communication, both written and verbal.

Equal Employment Opportunity Plans

The applicant agency must meet the requirements of 28 CFR 42.301 et seq., EEO. The plan must cover the grant period specified in the application. If technical assistance is needed while

preparing an [Equal Employment Opportunity Plan](#), please contact the Office for Civil Rights Compliance Specialist, Office of Justice Programs, Washington, D.C., (202) 307-0690.

Award Acceptance

To accept the grant award, each applicant must return all award documents and all required forms with original signatures within 45 calendar days of the award date. The applicant will be unable to request funds until all required documents are accurately completed and returned to CJCC.

Special Conditions

At the time of the subgrant award, CJCC will assign special conditions for each approved project. Each subgrantee should refer to their award packet for their special conditions. Applicants agree to comply with all the guidelines set forth by the CJCC. Any programmatic and/or fiscal noncompliance may result in a reduction of the award.

Other

Applicants must comply with all forms, assurances, and certifications in relation to this RFA. This includes maintaining a DUNS number, EIN, active registration with the System for Award Management (SAM), and other federal forms as requested by CJCC in the award packet.

V. Application Submission Instructions

Applications must be submitted online via FormStack. [Please click here to apply](#). **Agencies with more than one 2018 VOCA award *must* submit an application for each grant number to receive continuation funding for each award.** Applicants will be able to save their entries and continue once the application is started by using the most recent unique link provided by the online application system. After each save, a new unique link to return to the most recent version of the application will be generated. Budget

All applicants must attach a budget using the provided [Budget Detail Worksheet](#). All line items within the budget are subject to review and approval. Decisions related to these budget line items are based on allowance of line item costs per VOCA program guidelines, justification of costs in relation to project activities, and reasonableness of costs based on current market rates

The budget narrative should be submitted for clarity of expenses requested in the different budget categories. Applicants must provide details on each cost item in the budget. For example, applicants may not simply include a cost item for “Speaker Contracts”; the applicant must describe what the event is and its purpose, a brief bio of the speaker, and a justification of this cost and value added to the grant. Grantees are responsible for obtaining and executing necessary agreements with partners or contractors providing services under this agreement. Documentation and copies of agreements can be requested by CJCC at any time during the contract period.

Program Match Requirement

All applicants must submit a minimum funding match of 20% for their project through cash and/or in-kind contributions. The sources of the match must be identified in the budget section of the application. *Please note that volunteer hours are valued by the CJCC at \$15.00 per hour unless you submit a written request for higher rates to CJCC in your award packet.* The requirements and limitations that apply to the use of federal funds also apply to the use of matching funds. Matching funds must be used only for the funded project during the grant period to support the identified goals, objectives, and activities. Thus, the matching funds cannot be used to support activities that are not concurrently supported by VOCA Funds.

Formula for Match Calculation

- 1) Total Project Budget x Match Requirement Percentage = Match Requirement
- 2) Match Requirement x Volunteer Match Requirement Percentage = Volunteer Match Requirement
- 3) Total Project Budget – Match Requirement = Amount of Grant Request

Example 1:

For a project with a total budget of \$100,000 and a 20% Match Requirement Percentage:

- 1) $\$100,000 \times 20\% = \$20,000$ (Match Requirement)
- 2) $\$100,000 - \$20,000 = \$80,000$ (Grant Request/Federal Amount)

Indirect Costs

Indirect costs are not readily assignable to a particular award but are necessary both to the operation of the subgrantee and to the performance of the award. Common examples include building maintenance, telephone expenses, general supplies, and salaries and benefits of certain employees whose work benefits the entire organization.

Applicants are permitted to include indirect costs in their budget. If an agency currently has a negotiated federally-approved indirect cost rate, then the same rate must be applied to all VOCA awards (2 C.F.R. 200.414(f)). An agency may submit an indirect cost proposal with its federal cognizant agency (such as DOJ) at any time but must apply the approved rate to all federal awards received regardless of funding agency. All other applicants may use the 10% de minimis cost rate of modified total direct costs (MTDC). Applicants may use the [MTDC Calculator](#) to aid in calculating the 10% de minimis cost rate.

Indirect cost rates may be included on the application budget as “Indirect Costs” but must later be specified to avoid double-charging if an award is granted. Please also note that the indirect cost rate applicable to portions of the grant in different fiscal years may vary and federal law, statutes, or regulations may cap or otherwise limit allowable indirect costs.

The de minimis rate is an option only for subgrantees that have **NEVER** received an approved federally-negotiated indirect cost rate.

Program Income

The Department of Justice, Office of Justice Programs, and Office for Victims of Crime allow the use of program income only to supplement project costs or reduce project costs to be refunded to the Federal government. Program income is restricted to the same uses as the grant award and must be expended during the grant period in which it is generated. “Program income” is gross income earned during the funding period by the subgrantee as a direct result of the grant award. Fines and penalties as a result of law enforcement activity are not considered program income.

VOCA applicants must obtain prior approval from CJCC to earn or use program income for the VOCA funded program/project.

Allowable and Unallowable Costs

Allowable costs include services and activities that are eligible for support with VOCA grant funds. Unallowable costs are ineligible for use for various services or activities. See Appendix A.

Supplanting

Supplanting occurs when a state, local, or tribal government reduces previously allocated or appropriated funds by an agency for an activity, specifically because federal funds are available (or expected to be available) to fund the same activity. Any reduction in non-federal resources allocated for the same time period and the same purpose as the federal grant award will be subject to careful review.

To avoid potential supplanting issues, the following general guidelines should be followed:

- Federal funds cannot be used to pay for existing employees unless the existing position is “back-filled” with a new hire.
- Federal funds cannot be used to pay for items or costs that the subgrantee is already obligated to pay with state, local, or tribal funds.
- State, local, or tribal funds previously appropriated, allocated, or budgeted for award purposes cannot be reduced or reallocated to other purposes because of receipt of federal funds.
- Maintain contemporaneous documentation demonstrating that any reductions in non-federal resources budgeted for award purposes is unrelated to the receipt or expected receipt of federal funds. Examples of supporting documentation may include (but are not limited to) budget sheets and/or directives, city council or departmental meeting minutes, agency memoranda, notices, or orders, and any other official documents addressing the reduction in non-federal resources.

Funds must be used to supplement existing funds for program activities and cannot replace or supplant funds that have been appropriated for the same purpose. Supplanting may be grounds for suspension or termination of current and future federal funding, recovery of misused federal funds, and/or other remedies available by law
