Family Violence Prevention and Services Act (FVPSA) FFY 2025 Request for Applications

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (CJCC) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-seven members representing various components of the criminal justice system. CJCC is charged with fiscal and programmatic oversight of the Domestic Violence Grant Programs.

CJCC is soliciting applications for the Family Violence Prevention and Services Act (FVPSA) Grant Program. Agencies must submit an application to be considered for funding. Agencies are encouraged to read this entire RFA thoroughly before preparing and submitting their grant application. This application is continuation funding for current state-certified, domestic violence shelter programs meeting all eligibility guidelines.

I. Overview

The funding sources for this solicitation is the Family Violence Prevention and Services Act Grant Program. Administration on Children, Youth and Families (ACYF) is the federal agency that administers FVPSA State Formula Grant Funds to U.S. states and territories. ACYF is committed to facilitating healing and recovery, and promoting the social and emotional well-being of victims, children, youth, and families who have experienced domestic violence, maltreatment, exposure to violence, and trauma. An important component of promoting well-being in this regard includes addressing the impact of trauma, which can have profound impacts on coping, resiliency, and skill development. ACYF promotes a trauma-informed approach, which involves understanding and responding to the symptoms of chronic interpersonal trauma and traumatic stress across the lifespan. The Family Violence Prevention and Services Act (FVPSA) provides the primary federal funding stream dedicated to the support of emergency shelter and supportive services for victims of domestic violence and their dependents and promote resiliency and healing for children exposed to domestic violence. State administrators and Tribes may use this supplemental funding to establish, maintain, and expand programs and projects to: 1) prevent incidents of family violence, domestic violence, and dating violence; and 2) provide immediate shelter, supportive services, and access to community-based programs for victims of family violence, domestic violence, or dating violence.

The target population for this RFA is victims of domestic violence and their children.
