Victims of Crime Act (VOCA) Grant Program FY 2025 Continuation Request for Applications

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (CJCC) is designated by the Governor of Georgia as the State Administering Agency (SAA) for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-seven members representing various components of the criminal justice system. CJCC is charged with fiscal and programmatic oversight of the Victims of Crime Act (VOCA) Grant Programs.

CJCC is soliciting applications for the VOCA Grant Program. Agencies must submit an application to be considered for funding. Agencies are encouraged to read this entire RFA thoroughly before preparing and submitting their grant application. This application is open to all agencies meeting eligibility guidelines for the VOCA Grant Program; decisions about grant awards will be determined through a competitive process.

Introduction & Overview

The primary objective of the Victims of Crime Act (VOCA) Victim Assistance Formula Grant Program is to provide direct assistance to victims of crime. That assistance is achieved through a variety of methods, including local government, private nonprofit organizations enhancing or expanding their direct services to victims of crime, encouraging states to improve assistance to crime victims, and promoting the development of comprehensive services to all victims of crime.

This solicitation establishes the program and financial policy, as well as providing administrative guidance to effectively manage VOCA Victim Assistance Formula Grants. There are additional instructions for the VOCA application, grant management processes, and post-award requirements within the body of this document.

The Program & Financial Guidelines and Instructions are consistent with the U.S. Department of Justice (USDOJ) Office for Victims of Crime (OVC), and the Victims of Crime Act (VOCA) of 1984 ([34 U.S.C. § 20103](#)). Funds distributed by USDOJ are awarded, through a competitive process, by the Criminal Justice Coordinating Council (CJCC) to state agencies, units of local government, and private nonprofit organizations. Successful applications must comply with priorities established by USDOJ and CJCC.

The VOCA Formula Grant Program, created under the 1984 Victims of Crime Act, provides federal funding to support victim assistance and compensation programs, to provide training for diverse professionals who work with victims, to develop projects to enhance victims' rights and services, and to undertake public education and awareness activities on behalf of crime victims. The Office for Victims of Crime (OVC) was created by the U.S. Department of Justice and formally established by Congress in 1988 through an amendment to the Victims of Crime Act of 1984 (VOCA). OVC provides federal funds to support victim assistance and compensation programs around the country. The Crime Victims' Fund is the source of funding for these programs. Millions of dollars are deposited into the Crime Victims' Fund annually from criminal fines, forfeited bail bonds, penalties, and special assessments collected by U.S. Attorneys' Offices, federal U.S. courts, and the Federal Bureau of Prisons. To date, Crime Victims' Fund dollars have always come from offenders convicted of federal crimes, not from taxpayers.

According to the 2016 VOCA Program Rules, direct services or services to victims of crime are defined as those efforts that (1) respond to the emotional, psychological, and physical needs of crime victims; (2) assist victims in stabilizing their lives after victimization; (3) assist victims to understand and participate

in the criminal justice system; or (4) restore a measure of safety and security for the victim. For the purpose of the VOCA crime victim assistance grant program, a victim of crime is a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime. **Generally, funding cannot be used for the investigation of crimes or the collection of evidence to further the prosecution of crimes.**

States have sole discretion to determine which organizations will receive funds, and in what amounts, as long as the subgrantees' program requirements meet VOCA Program Guidelines. In addition to organizing and overseeing the distribution of funds, CJCC monitors subgrantees' fiscal and program performance and submits required progress reports to OVC.

Application Open Period Dates

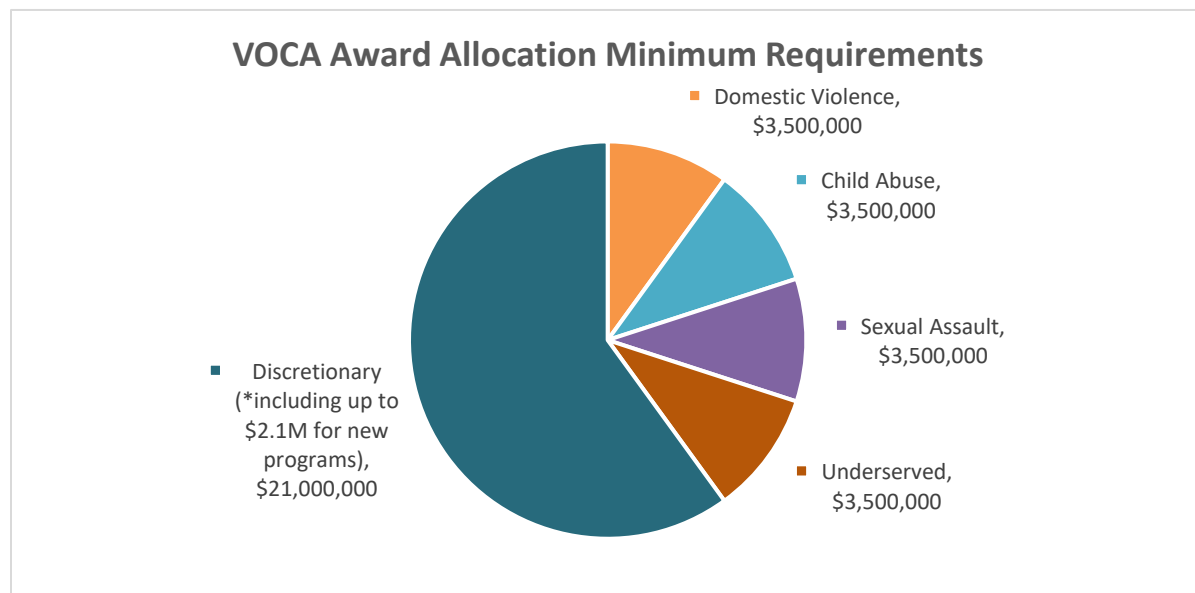

The VOCA 2025-2026 subgrant application opportunity will open on Friday, September 5, 2025, and close on Friday, October 10, 2025, at 5:00 pm ET. CJCC will not accept late applications and an Applicant's failure to submit its application by the deadline will result in disqualification of the application.

Available Funds and VOCA Program Allocation Guideline Requirements

The amount of VOCA funding each state receives is controlled by deposits of non-tax revenue into the [Crime Victims Fund](#) established by the Victims of Crime Act of 1984. Deposits have been at historically low levels since 2018. Deposits from the CVF impact obligation caps and the amount of funding that states are awarded. As a result of the lower deposits and lower obligation caps, Georgia Victim Assistance Formula awards received by CJCC have declined by over 60%.

Please note, all awards are subject to the availability of funds and to any modifications or additional requirements that may be imposed by USDOJ or CJCC.

Under the VOCA Program Guidelines and Rules, priority is given to programs serving victims of sexual assault, child abuse, and domestic violence. Per requirements, at least 30% of each year's formula grant must be allocated to sexual assault, child abuse, and domestic violence services; 10% for each category. An additional 10% must also be allocated to victims who are "previously underserved," which indicates that the particular victim population historically or currently has not had access to or been provided with specialized or adequate services. OVC includes groups as underserved or unserved when their access to services is limited by factors such as language barriers, economic limitations, disabilities, or location.

Unallowable Use of Funds

The activities listed below are out of the program scope and will not be funded.

1. Any program or activity that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access to DHS agents, or honor DHS requests and provide requested notice to DHS agents.
2. Any program or activity that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that (1) indirectly violate the law, including by promoting or facilitating violations, or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. Effective immediately upon receipt of this notice, any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes of this award, but the foregoing shall not be understood to apply—(1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.

I. Eligibility

The Victims of Crime Act (VOCA) establishes eligibility criteria that must be met by organizations requesting VOCA funds. Eligible subrecipients include victim services organizations whose sole mission is to provide services to crime victims. There are special provisions for faith-based organizations, neighborhood programs, and crime victim compensation programs as indicated in the federal Final Rule for the Victims of Crime Act Victim Assistance Program (see [28 C.F.R. § 94](#)). VOCA funds shall be available to provide direct services and to support grant program administrative activities. An eligible applicant must meet all of the following criteria:

- Must provide services to victims of federal crimes on the same basis as to victims of crimes under state or local law.
- May provide direct services regardless of a victim's participation in the criminal justice process.
- May not make direct services supported by this program contingent upon a victim's participation in the criminal justice process.
- Must be a solvent non-profit organization as designated by the Internal Revenue Service or a public government entity and provide services directly to crime victims.
- Must serve as the fiscal agent for the grant and the point of contact to CJCC.
- Must be responsible, liable, and oversee financial, program, and post-award reporting requirements.

These organizations include but are not limited to sexual assault and rape treatment centers, domestic violence programs and shelters, child abuse programs, centers for missing children, mental health services, and other community-based victim coalitions and support organizations. Certified domestic violence, sexual assault, and child advocacy centers must also comply with their respective state standards.

Any victim assistance organization that accepts referrals from a law enforcement officer or agency or

DFCS. pursuant to O.C.G.A. § 15-11-130.1 must be certified by CJCC as a certified human trafficking victim assistance organization. **Certification is given to agencies who can effectively serve youth victims of human trafficking, catering to their specialized needs through residential care, case management, legal services, and mental health treatment.**

In addition to victim service organizations whose sole purpose is to serve crime victims, many other public and non-profit organizations have components which offer services directly to crime victims. These organizations are eligible to receive VOCA funds if the funds are used to continue, expand, or enhance the delivery of services to crime victims. These organizations include, but are not limited to, the following:

- **Criminal Justice Agencies** – Law enforcement agencies, prosecutors’ offices, courts, corrections departments, and probation and paroling authorities are eligible to receive VOCA funds to help pay for direct victims’ services.
- **Religiously-Affiliated Organizations** – Organizations receiving VOCA funds must ensure that direct services are offered to all crime victims without regard to religious affiliation and that the receipt of services is not contingent upon participation in a religious activity or event. Faith-based and community organizations will be considered for awards as are other eligible applicants, and if they receive assistance, awards will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant or grantee will be discriminated against on the basis of its religious character or affiliation, or religious name. Faith-based and community organizations are required to abide by the same regulations and requirements specifically associated with the program under which they are awarded a grant, as any other agency awarded funding.
- **Hospitals and Emergency Medical Facilities** - Organizations must offer crisis counseling, support groups, and/or other types of direct victim services.
- **Others** – State and local public agencies such as mental health service organizations, state, and/or local public child and adult protective services, state grantees, legal service agencies, and programs with a demonstrated history of advocacy on behalf of domestic violence victims, Family Justice Centers, and public housing authorities that have components specifically trained to directly serve crime victims.

Note: If the organization is interested in applying for funding to support a site coordinator for, and/or enhancement of a current Family Justice Center project, the applicant must be able to show: 1. A history of direct service to victims of interpersonal violence; 2. A history of established partnerships with: i. Local Victim Service Providers ii. Local Law Enforcement Agencies iii. Local Prosecution Offices; 3. Active involvement in the local Family Violence Task Force, Sexual Assault Response Team, and other MDTs; 4. Proven history of the effectiveness of services provided; 5. Diversified funding streams to assist in the operation of your program; 6. History of financial stability and grants management; and 7. Engagement in public/private partnerships.

For additional information on the Family Justice Center model (Planning, Key Partners, Best-Practices, etc.), please see [Family Justice Center Initiative | Criminal Justice Coordinating Council \(georgia.gov\)](#).

a. Program Requirements

VOCA established eligibility criteria must be met by all organizations that receive VOCA funds. These funds are to be awarded to applicants only for providing services directly to victims of crime through their staff. Each applicant organization shall meet the following requirements:

- **Mandated Use of Volunteers** – Organizations must use volunteers in order to be eligible for VOCA funds. *Programs for which volunteer usage presents a hardship may include a hardship waiver request as an attachment to their application.* A “compelling reason” may be a statutory or contractual

provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort. **Note:** Although CJCC no longer requires agencies to submit a minimum level of volunteers as match, applicant organizations must use volunteers to be eligible for VOCA funds. In addition, CJCC encourages agencies to utilize volunteers to the greatest extent possible.

- **Provide match** – All VOCA program recipients must contribute to the total cost of their VOCA-funded project by providing at least a 20% cash or in-kind match from non-federal sources to the federal amount awarded. Waivers may be available for the match requirement. See pages 13 & 19 for more information on match.

Note: *Per the VOCA Fix to Sustain the Crime Victims Fund Act of 2021, CJCC per its discretion, will initiate blanket match waivers for all victim service providers during the FY2025 VOCA grant period, October 1, 2025 – September 30, 2026.* [PUBL027.PS \(congress.gov\)](#). Applicants should take match requirements for subsequent grant award periods into consideration.

- **Record of effective services and organizational capacity**– An organization must demonstrate a record of providing effective services to victims of crime. This includes having the support and approval of its services by the community, a history of providing direct services in a cost-effective manner, and a breadth or depth of financial support from other sources. For a glossary of terms and services, please refer to the [Victim Service Statistical Report \(VSSR\) Subgrantee Guide](#) on CJCC’s website. An organization must also demonstrate financial support from other funding sources. Generally, organizations should have a variety of funding sources besides federal funding in order to ensure their financial stability. See [28 C.F.R. 94.112\(b\)](#); [34 U.S.C. § 20103\(b\)\(1\)\(B\)](#) An organization should be able to demonstrate that at least 25% of financial support comes from non-Crime Victims Fund sources. An organization must also demonstrate financial support from other funding sources. Generally, organizations should have a variety of funding sources besides federal funding in order to ensure their financial stability. See [28 C.F.R. 94.112\(b\)](#); [34 U.S.C. § 20103\(b\)\(1\)\(B\)](#) An organization should be able to demonstrate that at least 25% of financial support comes from non-Crime Victims Fund sources.
- **Promote community efforts to aid crime victims**– An organization must promote community-based coordinated public and private efforts to aid crime victims. Coordination may include, but is not limited to, serving on federal, state, local, and tribal work groups; Native American task forces; commissions; working groups; coalitions; and/or multi-disciplinary teams to oversee and recommend improvements to community responses to crime victims and developing written agreements and protocols for such responses.
- **Assistance to victims in applying for compensation** – Organizations supported by VOCA Assistance funds are required by federal law to provide assistance to victims in applying for crime victim compensation benefits (including potential recipients who are victims of federal crime). Such assistance may include identifying and notifying crime victims of the availability of compensation, assisting victims with application forms and procedures, obtaining necessary documentation, and/or checking on claim status. Such assistance services shall be reported in the OVC Performance Measurement Tool. To be counted as reportable services, the program must provide substantive assistance to the client in applying for Compensation. Such assistance may be reported regardless of whether the client submits their completed application. For additional guidance surrounding crime victims compensation, or to obtain contact information for the Crime Victims Compensation, visit [CJCC CVCP \(ga.gov\)](#).
- **Comply with federal rules regulating grants** – Applicants must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the [Office of Justice Programs \(OJP\) Financial Guide](#), effective edition 2022, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. Other requirements are also outlined in the special conditions of the subgrant award. This includes financial

documentation for disbursements, daily time and attendance records specifying time devoted to allowable activities. VOCA victim services, client files, the portion of the project supplied by other sources of revenue, job descriptions, contracts for service, and other records which facilitate an effective audit.

- **Comply with CJCC grant requirements** – Agencies must adhere to financial and programmatic guidelines, comply with deadlines, and provide all information to CJCC and/or other state/federal agencies as requested in a timely manner, including: Office of the Inspector General, Georgia Department of Audits and Accounts, and Department of Justice.
- **Non-Discrimination** - Entities receiving financial assistance from the federal government must comply with the federal statutes and regulations that prohibit discrimination in federally assisted programs or activities. Subrecipients receiving Department of Justice funds such as Victim of Crime Act (VOCA) funds, are required to obtain Federal Civil Rights Non-Discrimination training. The Office for Civil Rights (OCR) ensures that recipients of financial assistance from the Office of Justice Programs (OJP) and its components are not engaged in prohibited discrimination.
- **Promote victim safety** – CJCC prohibits activities that compromise victim safety, such as requiring victims to meet with offenders.
- **No charges to victims for VOCA-funded services** – Applicants must provide direct services to crime victims at no charge if served through the VOCA-funded project unless CJCC approves a waiver allowing the applicant to generate program income by charging for services.
- **Non-disclosure of confidential or private information.** SAAs and subrecipients of VOCA funds shall, to the extent permitted by law, reasonably protect the confidentiality and privacy of persons receiving services under this program and shall not disclose, reveal, or release any personally identifying information or individual information collected in connection with funded services requested, utilized, or denied, and any individual client information without the informed, written, reasonably time-limited consent of the person about whom information is sought, except that consent for release may not be given by the abuser of a minor, incapacitated person, or abuser of the other parent of the minor. If a release of information is compelled by statutory or court mandate, SAAs or subrecipients of VOCA funds shall make reasonable attempts to provide notice to victims affected by the disclosure of the information and take reasonable steps necessary to protect the privacy and safety of the persons affected by the release of the information.

SAAs and subrecipients may share: non-personally identifying data in the aggregate regarding services to their clients and non-personally identifying demographic information in order to comply with reporting, evaluation, or data collection requirements; court-generated information and law enforcement-generated information contained in secure governmental registries for protection order enforcement purposes; and law enforcement and prosecution-generated information necessary for law enforcement and prosecution purposes.

In no circumstances may a crime victim be required to provide a consent to release personally identifying information as a condition of eligibility for funded services nor any personally identifying information be shared to comply with reporting, evaluation, or data-collection requirements of any program. Nothing in this section prohibits compliance with legally mandated reporting of abuse or neglect.

- **5% Local Victim Assistance Program (LVAP) and Human Trafficking Victim Assistance Organization Certification and Eligibility** – Applicant organizations should be certified and eligible to receive 5% funds. Organizations without certification may apply for funding; however, if funding is awarded the agency must [complete certification](#) requirements prior to drawing down funds. Any victim assistance organization that accepts referrals from a law enforcement officer or agency or DFCS, pursuant to O.C.G.A. § 15-11-130.1 must be certified by CJCC as a certified human trafficking victim assistance organization. **Certification is given to agencies who can effectively serve youth**

victims of human trafficking, catering to their specialized needs through residential care, case management, legal services, and mental health treatment.

- **Federal Civil Rights Training.** Subrecipients must view the OJP Civil Rights Non-Discrimination Training, accessible online at <https://www.ojp.gov/program/civil-rights/online-training>. Subrecipients acknowledge viewing the OJP Civil Rights Non-Discrimination training with submission of signed VOCA Award Documents. OJP Civil Rights Non-Discrimination Training (six training videos) can be viewed on the OJP website at [Civil Rights | Online Training | Office of Justice Programs \(ojp.gov\)](https://www.ojp.gov/program/civil-rights/online-training). Subrecipients must maintain statutorily required demographic data on victims served – by race, national origin, sex, age, and disability by project period – and permit reasonable access to its books, documents, papers, and records to determine whether the subrecipient is complying with applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim. Demographic data is required for quarterly reporting in the OVC PMT (Performance Measurement Tool) system.
- **Determination of Suitability Required, in Advance, for Certain Individuals who may Interact with Participating Minors.** The subrecipient may not permit any individual (other than a client, another participating minor, or another individual reasonably likely to only have brief and unintentional or personally-accompanied contact) to interact with any participating minor (individual under 18 years of age receiving services as part of this project) during the course of activities under the award without first making a written determination of the suitability of that individual to interact with participating minors, based on current and appropriate information. Documentation of such written determinations shall be maintained at the program site and shall be reviewed by CJCC as part of compliance monitoring. See <https://www.ojp.gov/funding/explore/interact-minors> for more information.
- **Ineligible Subrecipients.** Federal agencies including U. S. Attorney’s and FBI Field Offices are not eligible to apply for funding under this program. In-patient facilities such as those designed to provide treatment to individuals with drug, alcohol and/or mental health-related conditions are also not eligible to apply for funding under this program.
- **Find Help Georgia.** Subgrantees agree to take reasonable steps to provide meaningful access to their programs and activities that are free or reduced cost through the Find Help Georgia virtual community resource hub platform which is designed to make finding and providing help easier! Reasonable steps would include having staff attend a virtual 2-hour workshop that equips staff to claim and update all of its agency’s program listings to ensure its services populate for their coverage area. In addition, subgrantees will have a designated staff member become a Find Help Certified Navigator by attending one of the virtual 2-hour workshops. Lastly, the subgrantee will link Find Help Georgia to its agency’s website for clients to easily access the virtual community resource hub for simple searching and navigating of community resources.

b. Purpose & Priority Areas

Through cooperative agreements, CJCC will make awards to sustain, expand, or enhance services for victims of crime. These awards will also provide funding to reach and serve more crime victims and address gaps affecting victims of crime.

OVC requires states to dedicate 10% of VOCA funds to each of the following federally mandated priority areas: sexual assault, child abuse, domestic violence, and previously underserved communities. The remaining 60% will be used at the discretion of the state to support any of the aforementioned areas as well as other programs. Other programs could include, but not be limited to, non-traditional, innovative approaches to victim service delivery that aim to provide direct services to primary and secondary victims of crime.

Funding priorities under Georgia’s VOCA Victim Assistance Program follow the guidance under 28 CFR 94.103(d) which requires states to take the following factors into consideration:

- The range of direct services throughout the state and within communities
- The unmet needs of crime victims
- The coordinated, cooperative response of organizations in coordinating direct services
- The availability of direct services throughout the criminal justice process

It is CJCC’s responsibility to ensure that quality victim services for all victims of crime are provided equitably across the entire state. Applicants should take into consideration the existing victim services in their service area and carefully evaluate methods of collaboration and coordination when applying for funding.

FY2025 VOCA Priority Areas:

- Direct Service Personnel
- Direct Service Contractors
- Personnel to Support Administrative Requirements per the Grant Program
- Victim Assistance and Direct Services (ex. Crisis Intervention, Core Services, Emergency Shelter, Short-Term Rental Assistance, Transportation, Advocacy, Counseling/Therapeutic Services, Civil Legal Services, etc.)
- Evidence-Based/Innovative Program Designs that are Victim-Centered, Trauma-Informed, Effective, and Efficient (ie. Family Justice Centers, Collaborative Models, and policies, practices, and/or interventions that are supported by research etc.)

Please see the Appendix A for a detailed list of allowable/unallowable activities. This should be used as a guide when planning for your application. Although this is a list of allowable activities, please note that based on funding priorities, some activities may not be funded.

II. Grant Award Agreement

Grant Award Period: This grant award period covers October 1, 2025 through September 30, 2026. Applicants are applying for twelve months of funding through this RFA. CJCC administers competitive funding over a three-year cycle when possible. This grant period is the second award year of the three-year cycle. Awarded organizations will be eligible for continuation funding through September 2026.

The funding source is the Victims of Crime Act Grant Program. If the funds appropriated are reduced or eliminated by OVC, CJCC may immediately terminate or reduce the grant award by written notice to the grantee. Termination or reduction will not apply to allowable costs already incurred by the grantee to the extent that funds are available for payment of such costs.

Modification of Funds: CJCC reserves the right to make changes to the application budget at the time of the grant award and will communicate any changes to the applicant. CJCC may negotiate all or part of any proposed budget after awarding the award agreement due to funding or program requirements provisions.

III. Reporting Requirements

CJCC requires that subrecipients comply with and fully participate in the financial, programmatic, and evaluation reporting requirements for this grant program. CJCC staff provides training and technical

assistance to assist subrecipients with accurate data collection and reporting. Assistance may be requested by contacting the grant specialist assigned once approved and awarded.

Failure to submit any required reports by the deadline specified may significantly delay any and all subgrant expenditure reimbursements (SERs) submitted relative to the grant period. Repeated or continued delays may result in a reduction to the overall grant award for non-compliant agencies.

Financial Reporting Requirements

1. *Monthly or Quarterly Subgrant Expenditure Requests:* Upon accepting the award, each agency is required to submit Monthly or Quarterly SERs to CJCC. Monthly SERs are due on the 15th day of the month immediately following the month in which expenses were incurred, i.e., an SER for expenses incurred in July is due by August 15th. Quarterly SERs are due on the following dates for the corresponding financial reporting periods:

Quarterly Subgrant Expenditure Reports (SERS)

<i>FINANCIAL REPORTING PERIOD</i>	<i>DUE DATES</i>
October 1 – December 31	January 15th
January 1 – March 31	April 15th
April 1 – June 30	July 15th
July 1 – September 30	October 15th

Failure to submit this financial report in a timely manner will significantly delay any SERs submitted within the grant period. Continued delays will result in a staff recommendation to reduce noncompliant agencies' award amounts. The subrecipients are required to maintain expenditure documentation such as signed timesheets, equipment purchases, travel logs, supply purchases, inventory records, and consultant contracts. This documentation may be requested at any time. Subrecipients must attend any scheduled grant management workshop (if required), mandatory meetings, or required training(s) prior to the release of grant funds.

Program Reporting Requirements

Data submitted through the Victim Services Statistical Report (VSSR) will be prorated to accurately reflect the use of VOCA funds. Subgrantees are expected to establish data collection and reporting systems to provide CJCC with accurate data by each quarterly deadline. Outcome performance measure (OPM) data is reported regardless of funding source and therefore does not require proration.

Quarterly Progress Reports: All VOCA grant subrecipients will be required to submit reports on their program outputs supported by VOCA funding on a quarterly basis. VOCA victim service programs must complete the VSSR which details the number of victims (new and existing) served by type of victimization and number of services delivered by type of service. VOCA victim-service subgrantees must collect data according to the categories of the VSSR. Victimization and service definitions are provided in the 2023 Victim Service Statistical Report Subgrantee Guide as posted on CJCC's website. Statistical reports are due 20 days following the end of the quarter. These reports are processed through the Statistical Analysis Center (SAC). Agencies who are late with this report may experience a delay in processing reimbursement reports.

VSSR Quarterly Progress Reports

<i>Quarter</i>	<i>VSSR REPORTING PERIOD</i>	<i>DUE DATES</i>
1	October 1 – December 31	January 20th
2	January 1 – March 31	April 20th
3	April 1 – June 30	July 20th
4	July 1 – September 30	October 20th

All statistical reports must be submitted electronically using a CJCC-approved online reporting tool or data management system. Subrecipients will receive the link for the reporting tool along with a permanent username and password to complete their reports along with an assigned permanent username and password to complete their reports. The link to submit these reports will be activated at the beginning of the reporting period and shut down on the last day of the reporting period.

VOCA subrecipients are also required to complete narrative questions via the VSSR as part of the last quarter report. These questions are open-ended questions about agency issues, concerns, and success stories as well as service delivery obstacles and achievements.

Annual Outcome Performance Report: All VOCA grant subrecipients, **with the exception of CASA's**, must use the iMPRoVE survey tool (<https://www.improve-tool.org/>). Subrecipients will create their own accounts on the iMPRoVE website and use the links provided to survey victims upon substantial completion of services. CJCC will receive outcome data **directly from RTI**. Information about how to use the iMPRoVE surveys and how to understand the data can be found here: https://www.improve-tool.org/pdf/improve_user_guide.pdf.

RTI will remit iMPRoVE data to CJCC once per year. The outcome survey should be provided to all clients, regardless of whether their services were supported by VOCA funding. **Subrecipients will provide CJCC with a count of the number of victims substantially completing services and the number of victims surveyed** in the fourth quarter VSSR. The sole outcome performance reporting date for ALL victim services subrecipients is as follows:

<i>OUTCOME PERFORMANCE MEASURES</i>	
Reporting Period	Due Date
October 1 – September 30	October 30

CASA Programs should continue using the survey on CJCC's website. CASA's will report outcomes annually using CJCC's reporting tool and will receive a link for reporting those outcome measures on October 1st. The [surveys](#) are available on the CJCC website, along with Excel spreadsheets to compile and aggregate data from individual clients.

Post-Award Requirements

1. **Grant Management Workshop** – If an applicant is awarded a grant, the subrecipient may be required to attend a CJCC grant management workshop at a time to be announced.
2. **Compliance Monitoring** - CJCC staff may conduct visits or desk reviews during the grant period. Additional monitoring activities may also be conducted during the grant year. Site visits and desk reviews will be scheduled with the grantee in

advance. Site visits and desk reviews will be conducted to monitor the program for implementation and to view program documentation.

- 3. Additional Training, Technical Assistance, and Events** - CJCC may offer several non-mandatory, post-award training and technical assistance opportunities and special events. Grantees will be informed of events via e-mail, and the events will be posted on the CJCC website. CJCC staff also will give ongoing, individual technical assistance, and other support activities to subrecipients as needed or requested throughout the year. **CJCC requests that an Executive Director/Project Director attend at least two quarterly grantee meetings per year, where applicable.**

IV. Award Requirements

If an applicant organization is approved for a federal award, then the organization is expected to meet certain requirements. Various requirements can be met with proper documentation available upon request and many are time sensitive. All subrecipients are required to be in compliance with these requirements and it is the responsibility of the organization to become acquainted with such requirements.

Program Match Requirement

The purpose of matching contributions is to increase the amount of resources available to the projects supported by grant funds. Matching contributions of 20% (cash or in-kind) of the total costs of each VOCA project (VOCA grant funds plus match) are required and must be derived from non-federal sources. *All funds designated as match are restricted to the same uses as the VOCA victim assistance funds and must be expended within the grant period.*

Match must be provided on a project-by-project basis. Please see the budget section for the formula used to calculate match relative to the project's total budget.

For the purpose of this program, in-kind match may include donations of expendable equipment, office supplies, workshop or classroom materials, workspace, or the monetary value of time contributed by professionals and technical personnel and other skilled and unskilled labor, if the services they provide are an integral and necessary part of a funded project. The value placed on donated services must be consistent with the rate of compensation paid for similar work in the applicant's organization. If the required skills are not found in the applicant's organization, the rate of compensation must be consistent with the labor market. In either case, fringe benefits may be included in the valuation. The value placed on loaned or donated equipment may not exceed its fair market value. The value of donated space may not exceed the fair rental value of comparable space established by an independent appraisal of comparable space and facilities in privately owned buildings in the same locality.

Subrecipients must maintain records that clearly show the source, amount, and period during which the match was allocated. The basis for determining the value of materials, equipment, and space must be documented. Volunteer services used as match must be documented and supported by the same methods used for VOCA funded employees.

All matching contributions must be:

- Verifiable from the subrecipient's records
- Not included as a contribution for any other Federal Funds
- Necessary and reasonable to accomplish the project's goals
- Allowable charges
- Not paid by the applicant from Federal or State funds received under

- another assistance agreement
- Included in the budget approved by CJCC
- In accordance with all other Federal and State requirements

Per the VOCA Fix to Sustain the Crime Victims Fund Act of 2021, CJCC per its discretion, will initiate blanket match waivers for all victim service providers during the FY2025 VOCA grant period, October 1, 2025 – September 30, 2026. [PUBL027.PS \(congress.gov\)](#).

Volunteers. Applicant organizations must use volunteers unless CJCC determines there is a compelling reason to waive this requirement. A “compelling reason” may be a statutory or contractual provision concerning liability or confidentiality of counselor/victim information, which bars using volunteers for certain positions, or the inability to recruit and maintain volunteers after a sustained and aggressive effort. *Note:* Although CJCC no longer requires agencies to submit a minimum level of volunteers as match, applicant organizations must use volunteers to be eligible for VOCA funds. In addition, CJCC encourages agencies to utilize volunteers to the greatest extent possible.

Religion. Grantee programs may not promote, discuss, or teach religion. Program activities and services are required to be accessible to any interested participant, regardless of religious affiliation.

Criminal Background Checks. All subrecipients must conduct a state or national criminal background check on all direct service and outreach personnel who have contact with victims and their children once every three years. Agencies must use [Field Print](#), Georgia Applicant Processing Services or Federal Bureau of Investigation Departmental Order to conduct a state or national background check on all direct service and outreach staff every five years.

Internet Security Policy. CJCC requires all subrecipients to establish and enforce an Internet Security Policy when participants, volunteers, and/or staff have access (supervised or unsupervised) to protect the confidentiality, integrity, and availability of data while preventing malicious and other security threats. This includes any technology provided by CJCC funding and technology utilized by participants during a CJCC funded program component.

Financial Management. All subrecipients are required to establish and maintain accounting systems and financial records to accurately account for awarded funds. The financial records must account for all charges paid for with federal funding and demonstrate how the charges support the objectives of the award. These records shall include federal funds and all matching funds of state, local, and private organizations, when applicable. Subrecipients shall expend and account for grant funds in accordance with federal and state laws, and procedures for expending and accounting for their own funds. New applicants must upload a Financial Capability Form to the Attachment page of their applications. The form can be downloaded at: <https://www.ojp.gov/sites/g/files/xyckuh241/files/media/document/FinancialCapability.pdf>.

Accounting System. Subrecipients must maintain an adequate accounting system as defined in the [DOJ Grants Financial Guide, II. Preaward requirements, 2.3 Standards for Financial Management Systems, Accounting System](#). This section is accessible online at <https://www.ojp.gov/funding/financialguidedoj/ii-preaward-requirements#6d1xls>.

Subrecipients must have a financial management system in place to accurately record and report on the receipt, obligation, and expenditure of grant funds. The accounting system should be detailed enough to track the following information:

- Federal awards funded
- Matching funds from state, local, and private organizations, when applicable
- Program income

- Contracts expensed against the award, including justification for sole source contracts
- Expenditures

The accounting system shall be used to generate reports required by award and Federal regulations. An applicant's accounting system must support all of the following:

- Financial reporting that is accurate, current, complete, and compliant with all federal and state financial reporting requirements of an award.
- Accounting systems must be able to account for award funds separately. Commingling of funds is prohibited.
- Maintenance of documentation to support all receipts and expenditures and obligations of Federal funds.
- Collection and reporting of financial data for planning, controlling, measuring, and evaluating direct and indirect costs.

Subrecipient accounting systems should have the following capabilities:

Internal control. The system should allow for effective control and accountability for all grant and subgrant cash, real and personal property, and other assets. Subrecipients must adequately safeguard all such property and assure that it is used solely for authorized purposes. Adequate internal control also includes segregation of duties, or a control that prevents the same person from executing the multiple steps in a business transaction. For example, the person signing staff timesheets should not be the same person who submits the financial report requesting reimbursement of that personnel expense. Segregation of duties allows for a system of checks and balances that prevents an individual from having sole oversight of the expenditures and revenues of an entity. Please consult [2 C.F.R. § 200.303](#) for additional information.

Budget control. The system should compare actual expenditures or outlays with budgeted amounts for each subaward. It also must relate financial information to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the award or subaward agreement.

Allowable cost. The system should support making sure that Federal cost principles, agency program regulations, and the terms of subgrant agreements are followed in determining the **reasonableness, allowability, and allocability of costs**.

Supporting documentation. The system shall require support for accounting records with source documentation such as:

- Itemized records supporting all grant receipts, expenditures, and match contributions in sufficient detail to show exact nature of activity.
- Data and information for each expenditure and match contribution with proper reference to a supporting voucher or bill properly approved.
- Hourly timesheets describing work activity, signed by the employee and supervisor, to document hours personnel worked on grant related activities. Match hours must be documented in same manner.
- Maintenance of payroll authorizations and vouchers.
- Maintenance of records supporting charges for fringe benefits.
- Maintenance of inventory records for equipment purchased, rented, and donated.
- Maintenance of billing records for consumable supplies (i.e., paper, printing) purchased.
- Provisions for payment by check.

- Maintenance of travel records (i.e., mileage logs, gas receipts).
- Lease agreements, contracted services, and equipment purchases that adhere to established procurement processes.

No Charge to Victims for Funded Services. Funded direct services must be provided at no charge, unless the SAA grants a waiver allowing the subrecipient to generate program income by charging for services. Program income, where allowed, shall be reported and is subject to federal grant rules and the requirements of the [DOJ Grants Financial Guide](#), which, as of March 2022, require in most cases that any program income be restricted to the same uses as the subaward funds and expended during the period of performance in which it is generated. Additional information about program income requirements is accessible online at <https://www.ojp.gov/funding/financialguidedojoiii-postaward-requirements#2kqnom>.

Proration of Costs. Applicants that conduct both allowable and unallowable activities must reasonably prorate their costs to ensure that VOCA funds and match (both cash and in-kind) are used only for allowable direct services to victims. The proration method and rationale must be explained within the budget narrative.

Cost Allocation. If a cost benefits two or more projects or activities in proportions that can be determined without undue effort or cost, the cost must be allocated to the projects based on the proportional benefit. If a cost benefits two or more projects or activities in proportions that cannot be determined because of the interrelationship of the work involved, the costs may be allocated or transferred to benefitted projects on any reasonable documented basis, with certain exceptions. See [2 C.F.R. § 200.405](#) for additional information.

Limited English Proficiency (LEP) Individuals. In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, subgrantees of federal assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency. For more information, access <http://www.lep.gov>. CJCC requires subrecipients to have written LEP and Language Access plan(s) that outline their policies and procedures for ensuring victims have access to necessary forms of communication, both written and verbal.

Equal Employment Opportunity Plans. The applicant organization must meet the requirements of 28 CFR 42.301 et seq., EEO. The plan must cover the grant period specified in the application. If technical assistance is needed while preparing an [Equal Employment Opportunity Plan](#), please contact the Office for Civil Rights Compliance Specialist, Office of Justice Programs, Washington, D.C., (202) 307-0690.

Award Acceptance. To accept the grant award, each applicant must return all award documents and all required forms with original signatures within 45 calendar days of the award date. The applicant will be unable to request funds until all required documents are accurately completed and returned to CJCC.

Special Conditions. At the time of the subgrant award, CJCC will assign special conditions for each approved project. Each subrecipient should refer to their award packet for their special conditions. Applicants agree to comply with all the guidelines set forth by the CJCC. These guidelines can be found in the [Subgrantee Programmatic and Fiscal Compliance Policy](#) on CJCC's website. Any programmatic and/or fiscal noncompliance may result in a reduction of the award.

Other. Applicants must comply with all forms, assurances, and certifications in relation to this RFA. This includes maintaining a SAM UEI number, EIN, active registration with the System for Award Management (SAM), and other federal forms as requested by CJCC in the award packet. For assistance obtaining a UEI, please visit <https://sam.gov/content/duns-uei>.

V. Application Submission Instructions

Applications must be submitted online via the CJCC Grants Management System, IGX. Agencies with more than one VOCA grant award *must* submit an application for each to receive continuation funding for each award. *Please see Appendix B for VOCA grant allocations.*

Applicants who experience **technical difficulties** or emergency circumstances should contact Jonathan Peart immediately at peart.jonathan@cjcc.ga.gov or (404) 657-1973 to request an extension or alternate method of applying.

Applications must be submitted by 5:00 pm on Friday, October 10, 2025. There is no commitment on the part of CJCC to fund an application or to fund it at the amount requested.

The application must be completed and submitted in accordance with RFA guidelines for submission or the proposal may be disqualified. Applications for funding will undergo reviews by CJCC staff, the Victim Assistance Grants Committee, and the Council. At any point during these reviews, a decision not to fund a project or any part thereof may be made. These decisions are within the complete discretion of CJCC.

All line items within the budget are subject to review and approval. Decisions related to these budget line items are based on allowability, justification and reasonableness.

This application will be submitted through the new grants management system, IGX. Please see the accompanying step-by-step guides for more details and instructions on the application process:

Budget

All applicants must attach a budget using the provided [Budget Detail Worksheet](#). All line items within the budget are subject to review and approval. Decisions related to these budget line items are based on allowance of line-item costs per VOCA program guidelines, justification of costs in relation to project activities, and reasonableness of costs based on current market rates.

The budget narrative should be submitted for clarity of expenses requested in the different budget categories. Applicants must provide details on each cost item in the budget. For example, applicants may not simply include a cost item for "Speaker Contracts"; the applicant must describe what the event is and its purpose, a brief bio of the speaker, and a justification of this cost and value added to the grant. Grantees are responsible for obtaining and executing necessary agreements with partners or contractors providing services under this agreement. Documentation and copies of agreements can be requested by CJCC at any

time during the contract period.

Indirect Costs

Indirect costs are not readily assignable to a particular award but are necessary both to the operation of the subgrantee and to the performance of the award. Common examples include building maintenance, telephone expenses, general supplies, and salaries and benefits of certain employees whose work benefits the entire organization.

Applicants are permitted to include indirect costs in their budget. If an agency currently has a negotiated federally-approved indirect cost rate, then the same rate must be applied to all VOCA awards (2 C.F.R. 200.414(f)). An agency may submit an indirect cost proposal with its federal cognizant agency (such as DOJ) at any time but must apply the approved rate to all federal awards received regardless of funding agency. All other applicants may use the 15% de minimis cost rate of modified total direct costs (MTDC). Applicants may use the [MTDC Calculator](#) to aid in calculating the 15% de minimis cost rate.

Indirect cost rates may be included on the application budget as “Indirect Costs” but must later be specified to avoid double-charging if an award is granted. Please also note that the indirect cost rate applicable to portions of the grant in different fiscal years may vary and federal law, statutes, or regulations may cap or otherwise limit allowable indirect costs.

The de minimis rate is an option only for subgrantees that have **NEVER** received an approved federally negotiated indirect cost rate.

Program Income

The Department of Justice, Office of Justice Programs, and Office for Victims of Crime allow the use of program income only to supplement project costs or reduce project costs to be refunded to the Federal government. Program income is restricted to the same uses as the grant award and must be expended during the grant period in which it is generated. “Program income” is gross income earned during the funding period by the subgrantee as a direct result of the grant award. Fines and penalties as a result of law enforcement activity are not considered program income.

VOCA applicants must obtain prior approval from CJCC to earn or use program income for the VOCA funded program/project.

Allowable and Unallowable Costs

Allowable costs include services and activities that are eligible for support with VOCA grant funds. Unallowable costs are ineligible for use for various services or activities. See Appendix A.

Supplanting

Supplanting occurs when a state, local, or tribal government reduces previously allocated or appropriated funds by an agency for an activity, specifically because federal funds are available (or expected to be available) to fund the same activity. Any reduction in non-federal resources allocated for the same time period and the same purpose as the federal grant award will be subject to careful review.

To avoid potential supplanting issues, the following general guidelines should be followed:

- Federal funds cannot be used to pay for existing employees unless the existing position is “back-filled” with a new hire.
- Federal funds cannot be used to pay for items or costs that the subgrantee is already obligated to pay with state, local, or tribal funds.
- State, local, or tribal funds previously appropriated, allocated, or budgeted for award purposes cannot be reduced or reallocated to other purposes because of

- receipt of federal funds.
- Maintain contemporaneous documentation demonstrating that any reductions in non-federal resources budgeted for award purposes is unrelated to the receipt or expected receipt of federal funds. Examples of supporting documentation may include (but are not limited to) budget sheets and/or directives, city council or departmental meeting minutes, agency memoranda, notices, or orders, and any other official documents addressing the reduction in non-federal resources.

Funds must be used to supplement existing funds for program activities and cannot replace or supplant funds that have been appropriated for the same purpose. Supplanting may be grounds for suspension or termination of current and future federal funding, recovery of misused federal funds, and/or other remedies available by law.

Potential supplanting will be the subject of the application review, pre-award review, post-award monitoring, and possible audit. If there is potential supplanting, the applicant/subrecipient will be required to supply documentation demonstrating that the reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Federal funds. Additional guidance for subrecipients on the maintenance of documentation to sufficiently demonstrate non-supplanting can be accessed at See Section 2.3 of the DOJ Grants Financial Guide, available at <https://www.ojp.gov/funding/financialguidedoj/ii-preaward-requirements#z0opk7> additional information about supplanting, including guidance on maintaining documentation to sufficiently demonstrate non-supplanting.

Audit Requirements. Non-federal entities that expend \$1,000,000 or more in federal funds (from all sources including pass-through subawards) in the organization fiscal year (12-month reporting period) shall have a single organization audit conducted in accordance with the provisions of the *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*.

Non-federal entities that expend less than \$1,000,000 a year in federal awards are exempt from federal audit requirements for that year. A financial audit may be required for any project expending more than \$100,000. Records must be available for review by appropriate officials including the federal agency, CJCC, Georgia Department of Audits and Accounts (DOAA).

Risk Assessment and Monitoring. 2 CFR 200.332(b) states that “all pass-through entities must... evaluate each subrecipient’s risk of noncompliance with Federal statutes, regulations, and the terms and conditions of the subaward for the purposes of determining the appropriate subrecipient monitoring.” CJCC will require awardees to complete an annual risk assessment. CJCC will notify the awardee via email and provide at least 60 days for completion. The VOCA monitoring schedule will be developed based on the overall subrecipient risk.

Certification and Completion

To finalize the application, please enter the requested information for the point of contact for grant administration, the point of contact for Victim Services, Statistical Reporting (VSSR), and the name of the person submitting the application to certify completion. **Remember to submit the application** when you are finished with this section.
