

ANNOUNCING THE NEW VICTIMS COMP PORTAL

Thank you for being a provider and advocate.
Providing support to crime victims is what you do;
Providing support to you is what our Portal will do.

The new Victims Comp Portal enables providers and advocates (*depending on role access*) to:

- **Submit** online applications for forensic interviews, forensic medical examinations, and victims compensation programs
- **Obtain** status of bills and review payment details
- **Examine claims** including documents and letters
- **Manage** your organization's users and administrative access

With the new Victims Comp Portal, you will be able to:

- Collect payments faster
- Dedicate less time to paperwork
- Obtain real time status updates on applications
- Learn of any concerns with your applications quicker
- Receive fewer verification calls
- Spend less on postage and printing costs

What we are Hearing?

"All of us love the new process and portal. It has cut down on so much extra duplicate work we did in the past. I know the additional features will continue to streamline our administrative processes and let us focus more time on working with kids rather than administrative tasks."

"Easy to use. I can submit everything needed on the portal."

"It is very useful, has sped up the process."

How to Access

To request access for your organization, have your organization's director go to victimscompportal.cjcc.ga.gov and submit the request for access.

Once the director has access, they will add the users for their organization.
