Discretionary Training and Technical Assistance Program for VOCA Victim Assistance Grantees Program 2020 Continuation Request for Applications

Criminal Justice Coordinating Council

The Criminal Justice Coordinating Council (CJCC) is designated by the Governor of Georgia as the State Administering Agency for criminal justice and victims' assistance programs. Created by the General Assembly (O.C.G.A. § 35-6A-2), the Council is comprised of twenty-seven members representing various components of the criminal justice system. CJCC is charged with fiscal and programmatic oversight of the Victims of Crime Act (VOCA) Grant Programs.

CJCC is soliciting applications for the Discretionary Training and Technical Assistance for VOCA Victim Assistance Grantees. Agencies must submit an application to be considered for funding. Agencies are encouraged to read this entire RFA thoroughly before preparing and submitting their grant application. This application is open to all agencies meeting eligibility guidelines for the Discretionary Training and Technical Assistance for VOCA Victim Assistance Grantees; decisions about grant awards will be determined through a continuation process.

Overview

The purpose of this solicitation is to provide training and technical assistance to VOCA Victim Assistance service providers and others who work with victims of crime. By supporting victim service providers, OVC expects to improve outcomes for victims of crime. This project is authorized by 34 U.S.C. § 20103(c)(1)(A).

The goal of this program is to provide training and technical assistance to VOCA victim assistance service providers and others who work with crime victims. Since federal fiscal year (FY) 2015, the number of victim service providers receiving funds through the Victim Assistance Formula Grant Program has almost doubled. Additionally, in a series of focus groups with VOCA Victim Assistance Program administrators, OVC was advised that additional training funds were needed to ensure victim service professionals receive continuous training about victimization and the rights and services for victims of crime. Activities funded through this program may include, but are not limited to, the establishment or enhancement of state victim assistance academies (SVAA), statewide training initiatives, crime victim-related conferences, basic training for new programs, or scholarships to attend conferences and/or training for service providers and others who work with victims of crime.

Evidence-Based Programs or Practices

The Office of Justice Programs (OJP) strongly emphasizes the use of data and evidence in policy making and program development in criminal justice, juvenile justice, and crime victim services. OJP is committed to:

- improving the quantity and quality of evidence OJP generates;
- integrating evidence into program, practice, and policy decisions within OJP and the field;
- improving the translation of evidence into practice

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based.

The OJP CrimeSolutions.gov website at <https://www.crimesolutions.gov> is one resource that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

Information Regarding Potential Evaluation of Programs and Activities

The Department of Justice has prioritized the use of evidence-based programming and deems it critical to continue to build and expand the evidence informing criminal and juvenile justice programs to reach the highest level of rigor possible. Therefore, applicants should note that the Office of Justice Programs may conduct or support an evaluation of the programs and activities funded under this solicitation. Recipients and sub-recipients will be expected to cooperate with program-related assessments or evaluation efforts, including through the collection and provision of information or data requested by OJP (or its designee) for the assessment or evaluation of any activities and/or outcomes of those activities funded under this solicitation. The information or data requested may be in addition to any other financial or performance data already required under this program.

I. Eligibility

Applicants are limited to organizations that received a FY2019 award, are operated by a public agency, a nonprofit organization, or a combination of such agencies or organizations within the State of Georgia. Service provision must be available to crime victims regardless of victims' participation in the criminal justice system and immigration status. **Please note any award made pursuant to this solicitation is dependent upon the receipt and availability of federal grant awards and any requirements or conditions attached thereto.**

Eligible organizations include victim services organizations whose sole mission is to provide services to crime victims. These organizations include but are not limited to sexual assault and rape treatment centers, domestic violence programs and shelters, child abuse programs, centers for missing children, mental health services, and other community-based

victim coalitions and support organizations. Note: Commonly funded [agency/program types and core services](#) defined by CJCC are not exhaustive of every type of agency in the state serving crime victims. Certified [domestic violence](#) and [sexual assault](#) centers must also comply with their respective state standards.

An eligible applicant must meet all of the following criteria:

1. Be a non-profit organization as designated by the Internal Revenue Service or a public government entity,
2. Serve as the fiscal agent for the grant and the point of contact to CJCC
3. Be responsible, liable, and oversee financial, program, and post-award reporting requirements; and
4. If applicable, be a certified Human Trafficking Victim Assistance Organization per SB158.

Eligible organizations include, but are not limited to, the following:

- **Training and Technical Assistance Providers**
- **Criminal Justice Agencies** – Law enforcement agencies, prosecutors’ offices, courts, corrections departments, and probation and paroling authorities are eligible to receive VOCA funds to help pay for direct victims’ services.
- **Religiously-Affiliated Organizations** – Organizations receiving VOCA funds must ensure that direct services are offered to all crime victims without regard to religious affiliation and that the receipt of services is not contingent upon participation in a religious activity or event. Faith-based and community organizations will be considered for awards as are other eligible applicants, and if they receive assistance, awards will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant or grantee will be discriminated against on the basis of its religious character or affiliation, or religious name. Faith-based and community organizations are required to abide by the same regulations and requirements specifically associated with the program under which they are awarded a grant, as any other agency awarded funding.
- **Hospitals and Emergency Medical Facilities** - Organizations must offer crisis counseling, support groups, and/or other types of direct victim services.
- **Others** – State and local public agencies such as mental health service organizations, state and/or local public child and adult protective services, state grantees, legal service agencies and programs with a demonstrated history of advocacy on behalf of domestic violence victims, and public housing authorities that have components specifically trained to directly serve crime victims.

a. Additional Specific Eligibility Requirements

VOCA established eligibility criteria must be met by all organizations that receive VOCA funds. These funds are to be awarded to applicants only for providing services directly to victims of crime through their staff. Each applicant organization shall meet the following requirements:

- **Public or non-profit organization** – To be eligible to receive VOCA funds, organizations must be operated by a public or private non-profit organization, or a combination of such organizations, and provide services directly to crime victims.
- **Record of effective trainings** – An agency must demonstrate a record of providing effective and evaluated training to victim service providers. This includes having the support and approval of its services by the community, a history of providing trainings in a cost-effective manner, and a breadth or depth of financial support from other sources.
- **Promote collaborative and innovative initiatives** – An agency must promote community-based coordinated public and private efforts to enhance crime victim response. Coordination may include, but is not limited to, serving on federal, state, local, tribal work groups, Native American task forces, commissions, working groups, coalitions, and/or multi-disciplinary teams to oversee and recommend improvements to community responses to crime victims and developing written agreements and protocols for such responses.
- **Comply with federal rules regulating grants** – Applicants must comply with the applicable provisions of VOCA, the Program Guidelines, and the requirements of the [Office of Justice Programs \(OJP\) Financial Guide](#), effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. Other requirements are also outlined in the special conditions to the subgrant award.
- **Comply with CJCC grant requirements** – Agencies must adhere to financial and programmatic guidelines, comply with deadlines, and provide all information to CJCC and/or other state/federal agencies as requested in a timely manner, including: Office of the Inspector General, Georgia Department of Audits and Accounts, and Department of Justice.
- **No charges to participants for VOCA-funded trainings** – Applicants must provide training to victim-serving organizations and other who work with victims at no charge if served through the VOCA-funded project unless CJCC approves a waiver allowing the applicant to generate program income by charging for services.

Purpose Area Allocations:

1. Trauma-Informed Care Training

Examples:

Please see the appendix for a detailed list of allowable/unallowable activities. This should be used as a guide when planning for your application. Although this is a list of allowable activities, please note that based on funding priorities, some activities may not be funded.

II. Grant Award Agreement

Grant Award Period: This grant award period covers October 1, 2020 through September 30, 2021.

The funding source is the Discretionary Training and Technical Assistance Program for VOCA Victim Assistance Grantees. If the funds appropriated are reduced or eliminated by OVC, CJCC may immediately terminate or reduce the grant award by written notice to the grantee. Termination or reduction will not apply to allowable costs already incurred by the grantee to the extent that funds are available for payment of such costs.

Modification of Funds: CJCC reserves the right to make changes to the application budget at the time of the grant award and will communicate any changes to the applicant. CJCC may negotiate all or part of any proposed budget after awarding the award agreement due to funding or program requirements provisions.

III. Reporting Requirements

CJCC requires that subgrantees comply with and fully participate in the financial, programmatic, and evaluation reporting requirements for this grant program. CJCC staff provides training and technical assistance to assist subgrantees in accurate data collection and reporting. Assistance may be requested by contacting the training coordinator assigned once approved and awarded.

Failure to submit any required reports by the deadline specified may significantly delay any and all subgrant expenditure reimbursements (SERs) submitted relative to the grant period. Repeated or continued delays may result in a staff recommendation requesting a reduction to the overall grant award for noncompliant agencies.

Financial Reporting Requirements

1. *Monthly or Quarterly Subgrant Expenditure Requests:* Upon accepting the award, each agency is required to submit Monthly or Quarterly SERs to CJCC. Monthly SERs are due on the 15th day of the month immediately following the month in which expenses were incurred, i.e., an SER for expenses incurred in July is due by August 15th. Quarterly SERs are due on the following dates for the corresponding financial reporting periods:

Quarterly Subgrant Expenditure Reports (SERS)

<i>FINANCIAL REPORTING PERIOD</i>	<i>DUE DATES</i>
October 1- December 30	January 30
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30

Failure to submit this financial report in a timely manner will significantly delay any SERs submitted within the grant period. Continued delays will result in a staff recommendation to reduce noncompliant agencies' award amounts. The subgrantees are required to maintain expenditure documentation such as signed timesheets, equipment purchases, travel logs, supply purchases, inventory records, and consultant contracts. This documentation may be requested at any time. Subgrantees must attend any scheduled grant management workshop (if required), mandatory meetings, or required trainings prior to the release of grant funds.

Program Reporting Requirements

Subgrantees are expected to establish data collection and reporting systems to provide CJCC with accurate data by each quarterly deadline.

Subgrantees will be required to submit all trainings and curricula for approval prior to implementation. Subgrantees will also be required to provide all participants with a CJCC-generated evaluation tool.

Additional reporting requirements will be determined after grant award is made.

Post-Award Requirements

1. **Grant Management Workshop** – If an applicant is awarded a grant, the subgrantee will be required to attend a CJCC grant management workshop at a time to be announced.
2. **Compliance Monitoring** - CJCC staff may conduct visits or desk reviews during the grant period. Additional monitoring activities may also be conducted during the grant year. Site visits and desk reviews will be scheduled with the grantee in advance. Site visits and desk reviews will be conducted to monitor the program for implementation and to view program documentation.
3. **Additional Training, Technical Assistance, and Events** - CJCC may offer several non-mandatory, post-award training and technical assistance opportunities and special events. Grantees will be informed of events via e-mail, and the events will be posted on the CJCC website. CJCC staff also will give ongoing, individual technical assistance, and other support activities to subgrantees as needed or requested throughout the year. **CJCC requests that an Executive Director attend at least two quarterly grantee meetings per year where applicable.**

IV. Award Requirements

If an applicant agency is approved for a federal award, then the agency is expected to meet certain requirements. Various requirements can be met with proper documentation available upon request and many are time sensitive. All subgrantees are required to be in compliance with these requirements and it is the responsibility of the agency to become acquainted with such requirements.

Program Match Requirement

This solicitation does not require a match.

Religion

Grantee programs may not promote, discuss, or teach religion. Program activities and services are required to be accessible to any interested participant, regardless of religious affiliation.

Internet Security Policy

CJCC requires all subgrantees to establish and enforce an Internet Security Policy when participants, volunteers, and/or staff have access (supervised or unsupervised) to protect the confidentiality, integrity, and availability of data while preventing malicious and other security threats. This includes any technology provided by CJCC funding and technology utilized by participants during a CJCC funded program component.

Comply with CJCC Grant Requirements

Agencies must adhere to financial and applicable programmatic guidelines, comply with deadlines, and provide all information to CJCC as requested in a timely manner.

Fiscal Accountability

Commingling of funds on either a program-by-program or project-by-project basis is prohibited. The subgrantee's accounting system must maintain a clear audit trail for each source of funding for each fiscal budget period and include the following:

- Separate accountability of receipts, expenditures, disbursements, and balances. CJCC recommends creating an account in the accounting system for each grant using the grant number provided by CJCC.
- Itemized records supporting all grant receipts and expenditures, in sufficient detail to show exact nature of activity.
- Data and information for each expenditure with proper reference to a supporting voucher or bill properly approved.
- Hourly timesheets describing work activity, signed by the employee and supervisor, to document hours personnel worked on grant related activities.
- Maintenance of payroll authorizations and vouchers.
- Maintenance of records supporting charges for fringe benefits.
- Maintenance of inventory records for equipment purchased, rented, and donated.
- Maintenance of billing records for consumable supplies (i.e., paper, printing) purchased.
- Provisions for payment by check.
- Maintenance of travel records (i.e., mileage logs, gas receipts).
- Lease agreements, contracted services, and equipment purchases that adhere to established procurement processes.

Office of Civil Rights

Pursuant to 28 C.F.R. Section 42.302, all subgrantees of federal funds must be in compliance with [Equal Employment Opportunity Plan](#) (EEO) and Civil Rights requirements. All programs that receive VOCA funds or are sub awarded VOCA funds via program agreements are required to be familiar with and comply with all relevant federal civil rights requirements, and to that end are required to participate in the designated training once per grant period. If there is a violation it may result in suspension or termination of funding until such time as the subgrantee is in compliance. Information on the required **annual** OJP Civil Rights trainings can be found at the link below.

[Office for Civil Rights – Training for Grantees](#)

Nondiscrimination

Federal laws prohibit subgrantees of financial assistance from discriminating on the basis of race, color, religion, national origin, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Subgrantees must maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability, within the timetable established by CJCC. Compliance with guidance as may be issued from time to time by the Office for Civil Rights and CJCC is required per 28 C.F.R. part 42.

Limited English Proficiency (LEP) Individuals

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, subgrantees of federal assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency. For more information, access <http://www.lep.gov>. CJCC requires subgrantees to have written LEP plans that outline their policies and procedures for ensuring victims have access to necessary forms of communication, both written and verbal.

Equal Employment Opportunity Plans

The applicant agency must meet the requirements of 28 CFR 42.301 et seq., EEOP. The plan must cover the grant period specified in the application. Applicants agree to comply with all the guidelines set forth by the CJCC. These guidelines can be found in the [Subgrantee Programmatic and Fiscal Compliance Policy](#) on CJCC's website. Any programmatic and/or fiscal noncompliance may result in a reduction of the award.

Formstack Application

Basic Information

This section includes basic information about the applicant agency and its main points of contact for the application. Failure to enter accurate agency and contact information may result in a mis-categorization of an application and a delay in funds.

- **Project Descriptions/Goals**

- Provide a summary of your current VOCA training project.
- State the goals of the proposed project and the estimated number of participants that will be served.
- State the anticipated outcomes/deliverables of the project.
- What changes have you made to the currently funded project due to COVID-19?

- **Project Activities**

- List any agency partnerships that will be utilized to achieve the goals of the project and explain how this collaboration will meet the needs of victims served under this project.
- List evidence-based curricula, if any, that will be utilized.
- Include a timeline of project activities.

- **Evaluation Plan**

- Describe how the agency collects data. How will this data be measured/evaluated?
- Describe what impact has the funding made in providing statewide training opportunities? What impact has it made for your program?
- Include an updated logic model as a separate attachment. Applicants must include a logic model that graphically illustrates how the project's goals, objectives, and activities are interrelated to address the stated problem. The logic model must be

included as a separate attachment and must include information related to anticipated outputs, performance measures, and short- and long-term outcomes that are anticipated for victims served and the community. Sample logic models are available at www.ojjdp.gov/grantees/pm/logic_models.html.

- **Sustainability Plan**

- How will the project be sustained after the closeout of the grant period?

Budget

All applicants must attach a budget using the provided [Budget Detail Worksheet](#). All line items within the budget are subject to review and approval. Decisions related to these budget line items are based on allowance of line item costs per VOCA program guidelines, justification of costs in relation to project activities, and reasonableness of costs based on current market rates

The budget narrative should be submitted for clarity of expenses requested in the different budget categories. Applicants must provide details on each cost item in the budget. For example, applicants may not simply include a cost item for “Speaker Contracts”; the applicant must describe what the event is and its purpose, a brief bio of the speaker, and a justification of this cost and value added to the grant. Grantees are responsible for obtaining and executing necessary agreements with partners or contractors providing services under this agreement. Documentation and copies of agreements can be requested by CJCC at any time during the contract period.

Indirect Costs

Indirect costs are not readily assignable to a particular award but are necessary both to the operation of the subgrantee and to the performance of the award. Common examples include building maintenance, telephone expenses, general supplies, and salaries and benefits of certain employees whose work benefits the entire organization.

Applicants are permitted to include indirect costs in their budget. If an agency currently has a negotiated federally-approved indirect cost rate, then the same rate must be applied to all VOCA awards (2 C.F.R. 200.414(f)). An agency may submit an indirect cost proposal with its federal cognizant agency (such as DOJ) at any time but must apply the approved rate to all federal awards received regardless of funding agency. All other applicants may use the 10% de minimis cost rate of modified total direct costs (MTDC). Applicants may use the [MTDC Calculator](#) to aid in calculating the 10% de minimis cost rate.

Indirect cost rates may be included on the application budget as “Indirect Costs” but must later be specified to avoid double-charging if an award is granted. Please also note that the indirect cost rate applicable to portions of the grant in different fiscal years may vary and federal law, statutes, or regulations may cap or otherwise limit allowable indirect costs.

The de minimis rate is an option only for subgrantees that have **NEVER** received an approved federally-negotiated indirect cost rate.

Program Income

The Department of Justice, Office of Justice Programs, and Office for Victims of Crime allow the use of program income only to supplement project costs or reduce project costs to be refunded to the Federal government. Program income is restricted to the same uses as the grant award and must be expended during the grant period in which it is generated. “Program income” is gross income earned during the funding period by the subgrantee as a direct result of the grant award. Fines and penalties as a result of law enforcement activity are not considered program income.

VOCA applicants must obtain prior approval from CJCC to earn or use program income for the VOCA funded program/project.

Allowable and Unallowable Costs

Allowable costs include services and activities that are eligible for support with VOCA grant funds. Unallowable costs are ineligible for use for various services or activities. See Appendix A.

Supplanting

Supplanting occurs when a state, local, or tribal government reduces previously allocated or appropriated funds by an agency for an activity, specifically because federal funds are available (or expected to be available) to fund the same activity. Any reduction in non-federal resources allocated for the same time period and the same purpose as the federal grant award will be subject to careful review.

To avoid potential supplanting issues, the following general guidelines should be followed:

- Federal funds cannot be used to pay for existing employees unless the existing position is “back-filled” with a new hire.
- Federal funds cannot be used to pay for items or costs that the subgrantee is already obligated to pay with state, local, or tribal funds.
- State, local, or tribal funds previously appropriated, allocated, or budgeted for award purposes cannot be reduced or reallocated to other purposes because of receipt of federal funds.
- Maintain contemporaneous documentation demonstrating that any reductions in non-federal resources budgeted for award purposes is unrelated to the receipt or expected receipt of federal funds. Examples of supporting documentation may include (but are not limited to) budget sheets and/or directives, city council or departmental meeting minutes, agency memoranda, notices, or orders, and any other official documents addressing the reduction in non-federal resources.

Funds must be used to supplement existing funds for program activities and cannot replace or supplant funds that have been appropriated for the same purpose. Supplanting may be grounds for suspension or termination of current and future federal funding, recovery of misused federal funds, and/or other remedies available by law

Certification and Completion
