## Understanding the Legal Framework for Trafficking Survivors for Social Service Providers

Training provided by the Coalition to Abolish Slavery and Trafficking (CAST) and co-sponsored by the Georgia Criminal Justice Coordinating Council (CJCC) and the Georgia Asylum and Immigration Network (GAIN).

**October 2, 2017**

**9:00 AM - 5:00 PM**

Georgia State Bar Building, Room A  
104 Marietta Street NW, Atlanta, GA 30303

This full day training provides social service providers with an understanding of how to navigate legal issues that may arise while providing services to survivors. This training will not cover how to provide case management nor how to provide social services.

### Topics include:

- Overview of legal definition of trafficking
  - Overview of the legal system
  - Privilege and confidentiality
    - Ethical Considerations
    - Access to Public Benefits
    - State Victim Compensation
- Best practices working with multi-disciplinary teams

**\*Registration is limited to 60 persons.  
Only 5 persons may register per agency.**
