Thank you for applying to become a certified victim assistance agency eligible to receive Local Victim Assistance Program (5%) funds.

Since this is a recertification year, we have consolidated the annual certified agency report with the application for recertification.

As a reminder, all certified agencies must complete an annual report to the Criminal Justice Coordinating Council to report the amount they received in local victim assistance funds, if any. The first part of this report will cover your reporting requirements as a currently certified agency.

If you are **not currently certified**, please answer "No" to the question on the following screen to skip to the certification application.

If you have questions or concerns about the information in this report or the application, please contact:

Kyra Matthews at kyra.matthews@cjcc.ga.gov or
